

Willowbrook Police Department Emergency Information Response Card

Computer aided dispatch allows Southwest Central Dispatch, the police dispatching service for the Willowbrook Police Department, to have immediate access to residents' emergency information when 9-1-1 is called. This system gives dispatchers vital information about the occupants of the household calling for help. **All residents are encouraged to complete the information below to have emergency contacts on file with the Willowbrook Police Department, in particular those with special needs individuals living with them.** All information remains confidential. Please print or type all information. A representative from the Willowbrook Police Department will be contacting you annually to ensure that this information is accurate and current. If you have any questions concerning this program, please contact the Willowbrook Police Department Administration Office at 630-325-2808.
