Dear Chief Shelton:

On Monday, October 19th our department requested a FIAT call-out to assist us in the investigation of a homicide that had been discovered to have occurred in our town the weekend prior. A young woman was found stabbed to death in her apartment. Detective John Handzik and Detective Tim Kobler responded to assist with the follow-up including tracking down and interviewing family and acquaintances of the victim and surveillance details. The investigation resulted in the apprehension of a person of interest.

I would like to extend my thanks to your department for providing us with the support of your investigators, as well as my personal thanks to them for their invaluable assistance. Please do not hesitate to contact us if your department needs any assistance in the future.

Subject: Your non emergency number

Our power once again went out today and I called your non emergency number. Carrie, I believe her name was wonderful to take our phone number, asked if I need a check as I am disabled and terrified not to have phones and heat, lights on. She then called me back to say 14 people have the power outage, and by 2:30 it should be corrected.

Once I knew others had the same problem I felt better.

She was caring, spoke clearly and I stopped crying and trembling.

My husband teaches /donates time at the Mark DeLay and Our Lady of Peace schools and was not home yet.

Thank God she was there for me. Thank her for us.

I am writing this letter to commend the police officers and staff for outstanding customer service. Health Care Professionals share similarities with police officers. For example, police officers keep the public safe and Nurses keep patient safe. Police officers are mandated by law to report fraud and nurses are mandated by law to report abuse to the elderly and compliance issues. The police officers and staff at Willowbrook are very courteous, professional and helpful when dealing with the public. The officers and staff always maintained professionalism throughout my conversation with them. I remember a particular incident that happened with the police officer at Willowbrook. I was parked at the parking lot at Fedex plaza in Willowbrook. Someone hit my car from behind but when the officer wrote the report. The information he wrote on the report was not accurate. I went back to the police station to report the inaccuracy but was informed by the staff that the officer was not on duty but will be available the next day at 3pm. The next day went to the police station to talk to the officer (forgot his name). He was very professional. I informed the officer of the inaccuracy that was written in the report. The officer admitted the mistake and stated "that to err is too human and policemen also do make mistakes". The officer amended the report. I could not believe it and thanked the officer for his honesty. I informed the officer that people are always scared of policemen and since I originally from Kenya but I am a Kenyan American citizen. I stated to the officer that my encounter with policemen in America is that they are good listeners, they will inform you of your wrong doing and very professional while discharging their duties. Please let the entire staff know that I truly appreciate from the bottom of my heart what they do to protect the public and keep all the citizens safe.

Sincerely,

Roseline

Great job in representing the police department Chris!!!!

Mark -

I want to commend Sgt Drake for the way he treated a LHV resident following our annual Veterans Recognition Event on Nov 6th. One of our residents, a World War II vet who served with the Third Army and was wounded in action, needed some assistance getting home. Sgt. Drake took him home and escorted to his door then spent time with him listening to his stories and looking at some of his memorabilia.

As I've told you in the past and will repeat again, the WPD does a spectacular job connecting with residents because they take the time to listen to people and treat them with respect. Sgt. Drake made Mr. Reid's night very special and I thank him for doing that.

Regards,

Terry Kelly

Dear Chief Shelton,

The Hinsdale Police Department's October 2015 Open House was a huge success. This popular community event was successful because of people like Lori Rinella and Debbie Hahn who took the time to attend and support our department. Debbie and Lori made many IDs, answered questions from kids and parents and handed out pamphlets, badges, stickers and pencils.

It is great that police departments can assist each other in events like this for the benefit of the community. Thank you for your support and please let Lori and Debbie know their participation was greatly appreciated.

Dear Chief Shelton:

On December 3, 2015, officers from the Darien Police Department responded to a call of a shooting at the Darien Walmart. FIAT Major Crimes Unit investigators were sent directly to the Walmart to assist with interviews of dozens of witnesses who were in the store at the time of the shooting. Investigators continued on this same date and checked multiple addresses in Westmont, Lisle, Naperville, Aurora, and Downers Grove for the known shooter Brad Morris. The hard work and dedication by each and every detective assigned to this investigation resulted in the arrest of Brad Morris and multiple charges being filed against him.

Please express my personal thanks to Detectives John Handzik and Tim Kobler for their assistance in this investigation. The men and women of the Darien Police Department have a long tradition of cooperation and camaraderie with the officers from your department. Your department's support to us only works to reinforce this grand law enforcement tradition.

Sincerely,
