*Those present at roll call were Chief Mark Shelton, Deputy Chief Robert Schaller, Chairman of the Public Safety Committee Terrence Kelly, and Trustee Sue Berglund.*

3. Approval of May 9<sup>th</sup>, 2016 Public Safety Committee Meeting Minutes.

*The Committee approved the May 9<sup>th</sup>, 2016 Public Safety Committee Meeting Minutes.*

4. Discussion – DuPage Justice Information System (DuJIS).

*The Committee discussed the DuPage Justice Information System (DuJIS) new system for CAD/RMS and the Village desire to participate in the County-wide program. The E.T.S.B. was requesting a Letter of Intent from each town to get an account of how many will be involved and this also will give E.T.S.B. a measure for which to set costs. The network connection shown for fiber connection cost is shown to be \$793 x (12) months for (4) years totaling \$38,064.00. The estimated overall cost for Willowbrook is \$184,281.86 which spans thru 2023 and would begin budgeting 2017/2018 fiscal with estimated annual payments to be refined. The costs given were estimated at the highest quote and will be adjusted after the E.T.S.B. receives all the Letters of Intent. The goal for this E.T.S.B. program is to have all departments input information into a central system throughout the County. The Committee agreed with proceeding and participating with this County-wide program.*

## 10. DISCUSSION ITEMS

- Building – Update  
*Furniture and equipment from the building located at 7760 Quincy Street is being moved over to the 825 Midway Drive building. Phone lines and computers have been established and are working. By Friday, June 17<sup>th</sup>, the building located at 7760 Quincy Street should be empty and the police department will be operating out of the 825 Midway Drive building.*
- DuPage County Computer – Update  
*Chief Shelton advised the Committee that the DuPage County States' Attorney is going to start testing TASER for body camera operations. The States' Attorney's office is reviewing the download/upload to a service and storage. In the future department deciding to use body cameras would be responsible for the cameras themselves, the individual department own storage and maintenance. This is in its initial stages with the States' Attorney's office and other costs are to be determined. There may be a discount for TASER body camera purchase in the future, depending on total orders by departments. Should they decide to use body cameras, the State's Attorney's Office would be storing video sent, but interfaces need to be investigated and possible integration with new DuJIS system.*
- New Officer Hiring – Update  
*New Officer Vanderjack has begun Field Training and the other new recruit should be starting the Police Training Academy June 26<sup>th</sup>, 2016.*

## 11. VISITOR'S BUSINESS (Public comment is limited to three minutes per person).

Dear Chief ~~Shelton~~<sup>MARK</sup>

On Sunday, June 5, 2016, Westmont Police Officers responded to a call of a large fight in progress at Westmont Yard on 63rd Street in Westmont. Upon arrival officers observed several fights taking place in the parking lot and inside the building. A request for mutual aid was made and members of the Willowbrook Police Department responded to render assistance.

I want to thank and recognize the assistance of Officer Timothy Kobler. He assisted in breaking up the fights and providing crowd control while Westmont Officers conducted an investigation into the disturbance.

Please forward my personal thanks and appreciation to this officer for his assistance. It was reassuring to my officers to know that help was coming quickly during this stressful incident. This is just another example of the great working relationship between our agencies. You may be assured of our assistance in the future if the need arises.

Respectfully,

Thomas R. Mulhearn  
Chief of Police

Dear Chief Shelton,

Please convey my deep gratitude to Officer **Tim Kobler**. In recent days, I've been quite stressed about my cancer-stricken beloved German shepherd **Boomer**, age 13. He was euthanized last Saturday. A temporary misunderstanding with the veterinarian was most upsetting to an already sad situation. However, I contacted Officer Kobler and he resolved the situation in Willowbrook. I want to commend him for his compassion, understanding and professionalism in assisting me. Indeed, he is a credit to the WPD and all law enforcement. God bless Tim and the WPD!

Sincerely,

John
