BACKGROUND

The attached minutes are from the Public Safety Committee held March 12th, 2018.

STAFF RECOMMENDATION (if any)

APPROVE MOTION.

VILLAGE OF WILLOWBROOK
PUBLIC SAFETY COMMITTEE MINUTES
MARCH 12TH, 2018

MINUTES OF THE PUBLIC SAFETY COMMITTEE OF THE VILLAGE OF WILLOWBROOK HELD ON MARCH 12TH, 2018 AT 5:30 P.M. AT THE WILLOWBROOK POLICE DEPARTMENT, 7760 QUINCY STREET, IN THE VILLAGE OF WILLOWBROOK, DU PAGE COUNTY, ILLINOIS.

CALL TO ORDER

Meeting called to order at 5:30pm.

ROLL CALL

In attendance, Chairperson Gayle Neal, Trustee Umberto Davi and Acting Chief Robert Schaller.

1. REVIEW FEBRUARY 12TH, 2018 PUBLIC SAFETY COMMITTEE MEETING MINUTES.
Chairperson Neal and Trustee Davi approved the February 12th, 2018 meeting minutes.
2. REVIEW FEBRUARY 19TH, 2018 SPECIAL JOINT MEETING OF THE MUNICIPAL SERVICES COMMITTEE MEETING MINUTES.
Chairperson Neal and Trustee Davi approved the Special Joint Meeting minutes from February 19th, 2018.
3. REVIEW WEEKLY PRESS RELEASES – INFORMATION.
The Committee reviewed the press releases for the period of January 29th – February 25th, 2018.
4. REVIEW OVERTIME REPORT FOR 01/29/2018 –02/25/2018 - INFORMATION.
The Committee reviewed police overtime. Acting Chief Schaller advised that there was a total of 25 open shifts for the time period due to FMLA/Sick time/Training.
5. REVIEW MONTHLY EXPENDITURE REPORT FOR FEBRUARY 2018 – INFORMATION.
The Committee reviewed monthly expense reports. Chairperson Neal commented on allocating funding to the Building Maintenance line item for possible future departmental needs.
6. REVIEW MONTHLY OFFENSE SUMMARY REPORT FOR FEBRUARY 2018 - INFORMATION.
The Offense Summary Report was reviewed by the Committee. Acting Chief Schaller commented on the excellent traffic enforcement of Officer Rosal, Officer LaValle and Officer Martino.
7. REVIEW LETTER(S) OF RECOGNITION AND APPRECIATION – INFORMATION.
The Committee reviewed the letters of recognition and appreciation. Letter of recognition for Officer Kaspar in providing NARCINT intelligence of a possible narcotic target that ultimately resulted in the seizure of one kilo of Fentanyl Letter of appreciation received from a resident praising Officers Robles, Mestre and Trainor for assistance on an ambulance assist.
 - Officer Lauren Kaspar
 - Officer Dylan Trainor
 - Officer Christine Robles
 - Officer Eulalio Mestre

8. DISCUSSION ITEMS.

- Hinsdale South Walk Out – March 14th
Acting Chief Schaller updated the Committee in reference to possible assistance that would be provided to the Darien Police Department due to the planned student walk out on March 14th, 2018.
- Promotion / Selection Consulting
Acting Chief Schaller discussed the possibility of looking into an outside consulting firm or a panel to assist in the selection of future open positions within the PD. The Committee recommends exploring this possibility.
- Training
Acting Chief Schaller discussed training goals for the department. The Committee recommended moving forward on supervisory training for existing supervisors and Officers In Charge.
- Long Term Planning
Acting Chief Schaller discussed long term planning due to retirements in the future.
- Training Room Policy
Acting Chief Schaller discussed if there was a need for a training room policy with the Committee. The Committee indicated that since the training room will be for police use a policy will not be needed.
- CALEA Lexipol Update
Acting Chief Schaller discussed the 2108 CALEA assessment and the implementation of Lexipol – The Committee's recommendation is to continue with CALEA and not to move forward with Lexipol in the future.

9. * VISITOR'S BUSINESS (Public comment is limited to three minutes per person).
There were no members of the public present to comment at this meeting.

10. ADJOURNMENT.
Motion made by Chairperson Neal, second by Trustee Davi, to adjourn at 6:27p.m.

NEXT MEETING SCHEDULED APRIL 9TH, 2018 AT 5:30 P.M.

COMMITTEE MEETING

AGENDA ITEM SUMMARY SHEET

AGENDA ITEM DESCRIPTION

An Ordinance amending the existing American Traffic Solutions contract.

COMMITTEE REVIEW

- ☐ Finance/Administration
- ☐ Municipal Services
- ☒ Public Safety

Meeting Date: 04/09/2018

☐ Discussion Only

☒ Approval of Staff Recommendation (for consideration by Village Board at a later date)

☐ Seeking Feedback

☐ Approval of Staff Recommendation (for immediate consideration by Village Board)

☐ Regular Report

☐ Report/documents requested by Committee

BACKGROUND

On April 25, 2013, the Village of Willowbrook approved a five (5) year contract with American Traffic Solutions (ATS) the term of this agreement is expiring on April 25, 2018. A first amendment to professional service agreement with American Traffic Solutions was drafted to include cost-neutral price proposal including the addition of ATS Live real-time, streaming video and self -service historical video retrieval solution to each of the Village's existing five red-light camera sites. The installation of Automated License Plate Recognition cameras at each end of Route 83.

REQUEST FOR FEEDBACK (if any)

STAFF RECOMMENDATION (if any)

Staff recommends approval of first amendment of the professional service agreement.

**FIRST AMENDMENT
TO PROFESSIONAL SERVICES AGREEMENT**

This First Amendment ("Amendment"), dated effective this ____ day of _____, 2018 and is entered into between American Traffic Solutions, Inc. (herein "ATS"), a corporation duly incorporated under the laws of the State of Kansas with its principal place of business at 1150 N. Alma School Road, Mesa, AZ 85201 and the Village of Willowbrook Park, Illinois (herein the "Customer"), an Illinois municipal corporation, with principal offices at 7760 Quincy St, Willowbrook, IL.

RECITALS

WHEREAS, on April 25, 2013, the Customer and ATS entered into a Professional Services Agreement for the provision of a red light photo enforcement program (the "Agreement");

WHEREAS, capitalized terms used herein and not otherwise defined shall have the meaning ascribed to such terms in the Agreement;

WHEREAS, Section 3 of the Agreement provides that the Agreement shall automatically be extended for additional 5 year terms, unless either party provides notice of its intent not to extend the Agreement 120 days prior to the expiration of the current term;

WHEREAS, the parties desire to extend the term of the Agreement for an additional 5 year term commencing on April 26, 2018 and waive any right to provide a notice of intent not to extend the Agreement for the additional 5 year term;

WHEREAS, the Customer desires certain video system enhancements that permit the Customer to perform remote video retrieval, live video viewing, and live video streaming at up to 5 Camera Systems with (the "Video Enhancements");

WHEREAS, the Customer desires to obtain certain Automated License Plate Recognition ("ALPR") services and use of equipment as described herein as the "ALPR Solution";

WHEREAS, Section 15 of the Agreement requires any amendments or modifications of the Agreement to be in writing and duly executed by the parties; and

WHEREAS, the Customer and ATS mutually desire to amend, modify or alter certain terms and conditions of the Agreement.

TERMS AND CONDITIONS

NOW THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, the Customer and ATS do hereby agree as set forth below:

1. The above recitals are true and correct and are incorporated herein.
2. Term. Pursuant to Section 3 of the Agreement, the parties mutually agree to extend the term of the Agreement for an additional 5 year term for the period of April 26, 2018 through April 25, 2023 (the "Renewal Term").
3. Section 5.3, FLEXIBLE PAYMENT PLAN, is hereby deleted in its entirety.

4. Section 22, NOTICES, is hereby modified to replace the address for ATS with the following new address:

“American Traffic Solutions, Inc.
1150 N. Alma School Road
Mesa, AZ 85201
Attn: Elizabeth Caracciolo, Senior Vice President, General Manager - SLGS

with a copy to:

American Traffic Solutions, Inc.
1150 N. Alma School Road
Mesa, AZ 85201
Attn: Legal Dept. – Contracts Division”

5. A new Section 23, ATS LIVE™, is hereby added to the Agreement as follows:

“ATS Live™. ATS shall provide the Video Enhancements that permit the Customer to perform remote video retrieval, live video viewing, and live video streaming at up to five (5) Camera Systems. The Customer shall be responsible for and pay for data storage costs or other usage-based costs, except for the costs associated with communication (bandwidth), video data retrieval, and streaming.

The Customer expressly acknowledges that ATS is under no obligation to retain for any period of time any data produced by the Video Enhancements. The Customer acknowledges that once it obtains a requested video file, it is responsible for any preservation, and associated storage requirements that may be required by law for said video file. The Customer agrees that since the requested video file is not required by ATS to continue to perform the services under the Agreement, the video file and any resulting public records shall be transferred to the Customer prior to the termination of the Agreement and the Customer shall serve as the records custodian for any said public records created. The Customer agrees to assume responsibility to respond to, and if appropriate defend, at its sole expense, any requests for data or information obtained through the Video Enhancements, whether by formal public records request or otherwise. ATS shall not be responsible for any storage, storage costs or public records requests pertaining to the historical video obtained through the Video Enhancements or the provision of access to the Video Enhancements to anyone other than the Customer. The Customer agrees that ATS retains the ownership rights to all meta-data, business intelligence, or other analytics obtained, gathered, or mined by ATS through the use of its Camera Systems, including the data created through the Video Enhancements.

The Customer will comply with all federal, state, and local laws, ordinances, regulations and orders (collectively, “Laws”) with respect to its access to and use of the Video Enhancements, including without limitation any Laws relating to data privacy or photo enforcement, such as 625 ILCS 5/11-208.6.”

6. A new Section 24, ALPR, is hereby added to the Agreement as follows:

“ALPR.

(a) **Services.** The ALPR Solution consists of ALPR surveillance cameras and related processors,

communications devices that transfer the captured and processed data (the "ALPR Data") to a server that is maintained on the Customer's premises, back-end software (CLARITY™) that facilitates the retrieval, processing and use of the ALPR Data with other databases maintained or utilized by the Customer, including ALPR capture data, white-lists, hotlists, data sharing alerts and investigative capability (which, along with the ALPR Data, constitutes "Customer ALPR Data"). As more fully set forth in Section 24(b), the ALPR Solution includes installation of the camera(s) and processor on infrastructure, power and communication commissioning (as applicable), repair and replacement of equipment (as applicable), technical support, training, and related services.

(b) ATS' Responsibilities. ATS has the following responsibilities (some or all of which may be carried out by its subcontractor Cintel LLC "Cintel"):

- i. Provide Customer with up to 5 ALPR fixed and mobile surveillance cameras and required processors ("ALPR Camera"), associated ALPR hardware, a server to operate and/or store the ALPR Data on the Customer's site (if requested by Customer) and use of CLARITY™ software (herein together the "ALPR Solution"), provided Customer executes and complies with the End User License Agreement (the "EULA") with Cintel, which shall be incorporated into this Amendment as Exhibit 1. All ALPR hardware shall be referred to collectively as "ALPR Equipment".
- ii. Within 90 days after a permit is obtained, or if no permit is required, within 120 days of the date the Customer provides ATS a Notice to Proceed as indicated in Exhibit 2 of this Agreement, provide and, if required, install the ALPR Cameras at locations mutually agreed to by the Customer and ATS. Installation may occur on existing permitted ATS infrastructure in the Village of Willowbrook, or on non-ATS infrastructure (provided all required permits are obtained by the Customer and Customer pays for construction costs, if applicable). If installation is not performed on existing ATS infrastructure, Customer may use preexisting Customer infrastructure or may contract with ATS (or its subcontractor) for the construction and installation of new infrastructure. Any new infrastructure constructed on non-ATS infrastructure shall be the sole property and responsibility of the Customer.
- iii. Assist the Customer with obtaining any permits required for the installation and use of the ALPR Solution.
- iv. For ALPR Cameras installed on existing ATS infrastructure, ATS shall use preexisting power sources to operate the ALPR Camera (for ALPR Cameras on all non-ATS infrastructure, the Customer shall be responsible for providing power). For all installed ALPR Cameras, ATS shall provide the communications hardware and communications service (if required), provided that ATS shall not provide communications services on any non-ATS infrastructure to any non-ALPR Equipment (for example, if other Customer devices that share the infrastructure also require communications services). ATS shall determine the method of communication services required for the operation of the ALPR Equipment.
- v. Provide training and post-installation support as set forth in Exhibit 3.
- vi. No Customer ALPR Data is or shall be hosted, stored, accessed or available to ATS

(other than with respect to Cintel, who shall have limited access in accordance with the terms of the EULA as may be required for maintenance and upgrades).

- vii. ATS shall repair and replace all ALPR Equipment as set forth in Exhibit 3.

(c) Customer's Responsibilities. Customer has the following responsibilities:

- i. Allow ATS to (i) use Customer as a reference for future potential customers considering the ALPR Solution, and (ii) identify Customer as a current user of the ALPR Solution.
- ii. Customer expressly acknowledges that ATS will not have access to any Customer ALPR Data.
- iii. For locations where ATS infrastructure is not available for installation of the ALPR Camera, the Customer shall be responsible for providing the pole, power and any other infrastructure necessary for the installation and operation of the ALPR Camera other than the communications services required to operate the ALPR Equipment, which shall be provided by ATS. ATS or Cintel will install the ALPR Camera and provide necessary communications services once the infrastructure and power is made available by the Customer.
- iv. Customer shall execute and at all times comply with the EULA.
- v. Customer shall be directly responsible for all costs and liabilities associated with construction, installation, and any ongoing repair and maintenance of any non-ATS infrastructure used for the ALPR Equipment, and the cost of all data hosting, data retrieval or data storage or for any other usage-based or storage based costs other than the cost of the ALPR Solution.
- vi. Customer is responsible for the repair or replacement costs of any ALPR Equipment which is not the responsibility of ATS or Cintel, as set forth on Exhibit 3.
- vii. Customer will comply with all Laws, including without limitation Criminal Justice Information Services (CJIS) requirements and any Laws relating to data privacy or the use of ALPR with respect to its access to and use of the ALPR Solution, and data captured and produced by the ALPR Solution.

(d) Use of Subcontractor. Customer recognizes and approves the use of Cintel as a subcontractor of ATS for the provision of the ALPR Solution and other services, as required, to support the ALPR Solution, and that Cintel is a third-party beneficiary of this Pilot Agreement.

(e) Ownership of Results; Use of Data

- i. Notwithstanding anything else to the contrary in this Agreement, Customer agrees it is solely responsible for the housing and security of the Customer ALPR Data, and all such data is the property of the Customer, and ATS may not use the data for

any purpose without the express written consent of the Customer and only as permitted by law.

- ii. Nothing in this Section 24(e) of the Agreement shall be construed as to replace or conflict with Section 5 "Data Management", of the EULA.

(f) Termination. Upon the termination of the Agreement in whole or in part (including as a result of a reduction in the number of operational Camera Systems), ATS shall have no further obligations to Customer regarding the ALPR Solution (in proportion to the reduction in the number of operational Camera Systems to the extent of a partial termination), and ATS (or its designated subcontractor) may uninstall and/or retrieve all ALPR Equipment from the Customer. However, the Customer may negotiate directly with Cintel for the continued use of the ALPR Solution and with ATS for the continued use of any ALPR Equipment."

7. A new Section 25, WARRANTY DISCLAIMER, INDEMNIFICATION AND LIABILITY, is hereby added to the Agreement as follows:

"Warranty Disclaimer, Indemnification and Liability

- i. **Warranty Disclaimer.** The Parties acknowledge that the ALPR Solution and related services are provided by ATS "AS IS" and without warranty of any kind. ATS EXPRESSLY DISCLAIMS ALL WARRANTIES RELATING TO THE ALPR SOLUTION, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES AGAINST INFRINGEMENT OF THIRD-PARTY RIGHTS, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- ii. **Indemnification.** Subject to the provisions herein, Customer hereby agrees to hold harmless, indemnify, and defend ATS and Cintel and its affiliates, shareholders or other interest holders, managers, officers, directors, employees, agents, representatives and successors, permitted assignees and all persons acting by, through, under or in concert with them (individually an "ATS Party" and "Cintel Party" and collectively, the "ATS Parties" and "Cintel Parties") to the fullest extent then contemplated by the governing and applicable law, as defined herein, against any and all liabilities, obligations, losses, damages, penalties and judgments including attorneys' fees and related defense costs and expenses, (collectively, "Losses") which may be imposed on or incurred by any ATS or Cintel Party arising out of or related to: (a) the willful or negligent misconduct of the Customer, its employees, contractors or agents which result in death or bodily injury to any natural person (including third parties) or any damage to any real or tangible personal property (including the personal property of third parties), except to the extent caused by the negligence or willful misconduct of ATS or Cintel; (b) Customer's misuse of or failure to maintain the security of Customer ALPR Data; (c) Customer's breach of Sections 23 or 24 this Agreement or violation of any Laws; (d) Customer's misuse or misappropriation of Cintel's products or services, (e) any representation by Customer about the Cintel products or services not authorized by Cintel; (f) any breach of this Agreement by Customer related to Customer's receipt and use of the Customer ALPR Data or the EULA."

8. Section 1.1.11 of EXHIBIT B, SCOPE OF WORK, is hereby deleted in its entirety and replaced with the following:

“ATS is authorized to charge, collect and retain a convenience/service fee of \$5.00 for each electronic payment processed. Such fee is paid by the violator.”

9. The provisions of this Amendment, including the recitals, comprise all of the terms, conditions, agreements, and representations of the parties with respect to the subject matter hereof. All representations and promises made by any party to another, whether in writing or orally, concerning the subject matter of this Amendment are merged into this Amendment. Except as expressly amended or modified by the terms of this Amendment, all terms of the Agreement shall remain in full force and effect. In the event of a conflict between the terms of this Amendment and the Agreement, the terms of this Amendment shall prevail and control.

10. This Amendment may be executed in one or more counterparts, each of which shall constitute an original, but all of which taken together shall constitute one and the same instrument. Each party represents and warrants that the representative signing this Amendment on its behalf has all right and authority to bind and commit that party to the terms and conditions of this Amendment.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties hereto have executed this Amendment effective as of the date first written above.

EXHIBIT 1

End User License Agreement

CLARITY SOFTWARE END USER LICENSE AGREEMENT

THIS END USER LICENSE AGREEMENT (“**EULA**”) is made on the date _____ (“**Effective Date**”) by and between Cintel LLC (“**Company**”), with offices located at 420 Dividend Drive, Suite B, Peachtree City, GA and the Village of Willowbrook, IL (“**Customer**”), an Illinois municipal corporation located at 7760 Quincy St, Willowbrook, IL.

WHEREAS, Cintel is a premier license plate recognition (“**LPR**”) technology solutions provider and offers LPR hardware and commercial LPR software products and services; and

WHEREAS, Customer entered into a Agreement for Automated License Plate Recognition Solution Services with American Traffic Solutions, Inc. (“**ATS**”) on or around ____ (the “**Agreement**”), pursuant to which Cintel is an authorized subcontractor of ATS to provide certain services described therein; and

WHEREAS, in connection with the Agreement, Customer desires to use certain Cintel developed or distributed software as defined herein; and

WHEREAS, Company desires to grant Customer a limited, non-exclusive, non-transferable license to use such software under the terms of the Agreement and this EULA.

NOW THEREFORE, in consideration of the covenants by and between the parties hereto, the parties, intending to be bound, hereby agree as follows:

1. DEFINITIONS:

“**Content**” means: (i) information obtained or developed by Company related to the Service and provided to Customer, including all Products specified and agreed upon pursuant to this EULA; (ii) the Documentation, as defined within this EULA; and (iii) Updates. Content does not include the video footage captured by LPR cameras or the license plate data recovered therefrom.

“**Customer Data**” means any data, information or material provided or submitted by Customer or Users to the Service in the course of using the Service.

“**Documentation**” means, collectively, technical information and materials, in written or electronics form, delivered with the Service by Company to Customer and that are intended for Use in connection with the Service.

“**Delivered**” or “**Delivery**” shall mean the software and service as transmitted by Company to Customer electronically and in accordance with security measures agreed upon by both parties. “**Products**” shall mean any Software, code, data, graphics or other materials or resources transmitted to Customer in order to provide any of the Services under this EULA.

“**Services**” shall mean the provision of Software, Updates, Documentation and Products provided by Company to Customer under this EULA and in accordance with the requirements of the Agreement.

"Software" shall mean the Cintel software to be provided by Company (as a subcontractor to ATS) to Customer under the Agreement.

"Source Code" shall mean the readable forms together with make and build files.

"Updates" means all upgrades, modified versions, updates, additions to the products and Service, whether provided to the Customer by Company through maintenance and support services or otherwise at any time.

"Use" means to directly or indirectly load, execute, access, employ, utilize, store, or display the Service.

"User(s)" means Customer employees who are authorized to Use the Service and have been supplied user identifications and passwords by Customer (or by Company at Customer's request).

2. TERMS AND CONDITIONS.

2.1 Term. Customer agrees to a contractual term of service ("**Term**") in accordance with the Agreement between ATS and the Customer. The term of this EULA will run concurrently with the term (including any renewal terms) set forth in the Agreement. In the event Customer desires, and the Company agrees, to continue providing Services following the Term (as provided for in the ATS Customer Agreement), the parties shall enter into a new EULA.

2.2 Limited Use of License. Subject to the terms and conditions of this EULA, Company hereby grants Customer a non-exclusive, non-transferable, worldwide right to use the Software (including the right to download, install and access the Software), solely for Customer's internal business purposes, subject to the terms and conditions of this EULA and the Agreement. All rights not expressly granted to Customer are reserved by Company and its licensors. Under this EULA, Customer shall not be granted any rights or license to the Software beyond that which is specifically and expressly provided for herein. Customer acknowledges that it is granted access to the Software only through the Agreement and this EULA. Customer further acknowledges that at no time shall it be entitled to download, distribute, install, transfer, reverse engineer, redistribute, or otherwise manipulate the Software in any form or manner not explicitly authorized or covered by this EULA. At no time will Customer hold title to or ownership of any of product, service, documentation, data (excluding Customer Data) or the Products, Software, Services, Documentation, or Source Code provided to Customer pursuant to this EULA.

2.3 Acknowledgement. Customer acknowledges that the Service and Software, including its structure, organization and Source Code, constitute valuable trade secrets of Company and/or its licensor(s). Accordingly, Customer agrees:

(a) Not to modify, adapt, alter, translate, or create derivative works from the Software or Service (except as expressly permitted by the Documentation);

(b) Other than as specified herein, neither the Software nor any tools licensed with or included in the Service may be copied, in whole or in part, without the express written consent of Company.

(c) Not to merge the Software with other services or software; or sublicense, lease, rent, loan, or otherwise transfer the Software or the Service to any third party;

(d) To not reverse engineer, decompile, disassemble, decode, decompose or otherwise attempt to derive the Source Code for the Software or any other Company program, code, or technology installed or Delivered to Customer;

(e) Not to provide services to third parties using the Software or Service (e.g. business process outsourcing,

Service Bureau applications or third party training) or otherwise Use or copy the Service for third parties;

(f) To notify Company immediately of any unauthorized Use of any password or account or any other known or suspected breach of security or unauthorized use of the Software or Services;

(g) To report to Company immediately and use reasonable efforts to stop immediately any copying or distribution of Content that is not expressly authorized by Company and that is known or suspected by Customer or Customer's Users;

(h) To not remove, alter, or obscure any proprietary notices (including copyright notices) of Company and/or its licensors incorporated into or with the Service; and

(i) Not provide false identity information to gain access to or Use the Service.

2.4 Restrictions. Customer shall not (i) license, sublicense, sell, resell, transfer, assign, distribute or otherwise commercially exploit or make available the Services to any third party in any way; or (ii) "frame" or "mirror" any Content on any other server or wireless or Internet-based device; or (iii) reverse engineer or access the Service in order to:

(a) build a competitive product or service;

(b) build a product using similar ideas, features, functions or graphics of the Service; or

(c) copy any ideas, features, functions or graphics of the Service.

Customer understands that this EULA and access to the Service immediately terminates and ends when one of the following events takes place:

(i) Customer or its payee (ATS) fails to make a subscription payment;

(ii) Customer's Use of the Service violates Section 2.2;

(iii) Customer's material breach of this Agreement;

(iv) Customer's violation, or threatened, or apparent/intended, violation of law;

(v) Customer's action or conduct, which adversely affect the business interests of Company and/or disparages Company's business reputation and/or character and/or interest; or

(vi) This EULA terminates pursuant to Section 6.

2.5 Software/Service Customization. Customer acknowledges that Products and Services are provided "as is" and "as delivered" and cannot be construed as being able to be customized or modified in any way. Customer assumes all responsibility to review all features included prior to signing this EULA.

2.6 Software/Service Support. All support for the Products and Services shall be provided pursuant to the terms of the Agreement.

The Customer will provide Company with access to the its database or server (including backup databases) on which the Software is utilized for service support from time to time in accordance with any applicable laws or compliance standards, or as may be necessary for Company to provide service or maintenance to any Company provided hardware to the extent required by the Agreement.

3. CONFIDENTIAL INFORMATION AND CONTENT

3.1 Confidential Information. During the term of this EULA, each party (the “**Receiving Party**”) may be provided with or otherwise learn confidential and/or proprietary information of the other party (the “**Disclosing Party**”) that is of substantial value to the Disclosing Party, which is identified as confidential at the time of disclosure or which ought in good faith to be considered confidential (“**Confidential Information**”). This information shall include, but is not limited to Product and Services information, materials, software, code, or any other materials transmitted to Customer under this EULA. All Confidential Information remains the property of the Disclosing Party. The Receiving Party may disclose the Confidential Information of the Disclosing Party only to its employees and contractors who need to know the Confidential Information for purposes permitted under this EULA and who are bound by written confidentiality agreements with terms at least as restrictive as those provided in this EULA. The Receiving Party will not use the Confidential Information without the Disclosing Party’s prior written consent except in performance under the Agreement and this EULA. The Receiving Party will take measures to maintain the confidentiality of the Confidential Information similar to those measures the Receiving Party uses to maintain the confidentiality of its own confidential information of like importance but in no event less than reasonable measures. The Receiving Party will give immediate notice to the Disclosing Party of any unauthorized use or disclosure of the Confidential Information and agrees to assist the Disclosing Party in remedying such unauthorized use or disclosure. The confidentiality obligations do not extend to Confidential Information which (a) becomes publicly available without the fault of the Receiving Party; (b) is rightfully obtained by the Receiving Party from a third party with the right to transfer such information without obligation of confidentiality; (c) is independently developed by the Receiving Party without reference to or use of the Disclosing Party’s Confidential Information; or (d) was lawfully in the possession of the Receiving Party at the time of disclosure, without restriction on disclosure. The obligations set forth in this Confidential Information section will be effective from the Effective Date until 3 years from the termination or expiration of this EULA.

3.2 Customer Content. Company does not exercise any control whatsoever regarding the Customer Data, which passes through or utilizes the Company’s Software, hardware, network, email or web site.

4. WARRANTIES AND DISCLAIMERS

4.1 Company Representations. Company represents and warrants that:

(a) it has title to the Service or has acquired the right to license portions of the Service from third parties and Company has full power and authority to grant to Customer the rights granted hereunder;

(b) it has not placed, nor is Company aware of, any disabling code or any viruses in the Service which would alter, destroy, or inhibit the Service, or its Use by Customer;

(c) to its knowledge, the Service does not infringe upon any US copyright, registered patent, trademark, software mark or trade name owned by a US third party;

(d) Company personnel will exercise due care in the provision of the Services; and

(e) neither this EULA nor the performance of or exercise of rights under this EULA will violate, conflict with, or result in the breach of any term, condition, or provision of any agreement or legal obligation (whether or not existing at the effective date) to which Company is a party or by which it may be bound, or constitute a default thereunder.

4.2 Customer Representations. Customer represents, warrants and covenants to Company as follows:

- (a) Customer exists under the laws of its own jurisdiction and is not under any contractual obligation that would preclude it from entering into this EULA or would interfere with its use of the Customer Data provided under this EULA;
- (b) Customer owns (or has the legal right to obtain and use) or has properly licensed all rights in the Customer Data at all times during the Term;
- (c) the Customer Data is not, nor will be, in violation of any laws or third party intellectual property rights;
- (d) Customer's Use of the Service does and will comply with all applicable laws, including applicable privacy laws; and
- (e) neither this EULA nor the performance of or exercise of rights under this EULA will violate, conflict with, or result in the breach of any term, condition, or provision of any agreement or legal obligation (whether or not existing at the effective date) to which Customer is a party or by which it may be bound, or constitute a default thereunder.

4.3 THE EXPRESS REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION ARE LIMITED WARRANTIES AND ARE THE ONLY WARRANTIES MADE BY COMPANY WITH RESPECT TO THE SERVICE AND ANY PART THEREOF. COMPANY MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, AND EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. COMPANY DOES NOT REPRESENT OR WARRANT THAT THE SERVICE WILL OPERATE CONTINUOUSLY OR WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT ANY ERRORS WILL BE CORRECTED.

4.4 The representations and warranties set forth in the EULA hereto shall not apply: (i) if the Service is not used in accordance with the Documentation or the Agreement; or (ii) if Customer or a third party acting on behalf of Customer is granted administrative access to the Service; or (iii) if Customer's internal system does not employ industry standard latency levels; or (iv) to the extent that a defect is caused by or is contributed to by Customer or a Customer third party; or (v) if the defect is caused by a third party database or other third party software malfunction.

4.5 The parties expressly acknowledge that there are no intended or incidental third party beneficiaries to this EULA other than ATS.

5. **DATA MANAGEMENT**

5.1 Company alone (and its licensors, where applicable) shall own all right, title and interest, including all related intellectual property rights, in and to the Service (specifically excluding all Customer Data) and any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by Customer or any other party relating to the Service provided to Company. This EULA is not a sale and does not convey to Customer any rights of ownership in or related to the Service or the intellectual property rights owned by Company. The Company name, logo, and product names associated with the Service are trademarks of Company or third parties, and no right or license is granted to use them.

5.2 Company, in its sole discretion, reserves the right to supply new application Source Code for the Service and all copies thereof in Customer's possession or control whenever a future Update provides for like functionality in an object code format.

5.3 Customer Data Backups. For purposes of a local onsite server database solution, the Customer is responsible for maintaining a backup of Customer Data, and for all security requirements related to the storing, accessing and use of the Customer Data. For purposes of an offsite, cloud-based or hosted database solution, the Company is responsible for maintaining a backup of Customer Data and for an orderly and timely recovery of such data in the event that the use of the Service may be interrupted. Unless otherwise agreed between the parties in writing, Company shall maintain daily backups of all Customer Data that can be recovered within twenty- four (24) hours. Additionally, Company shall use commercially reasonable efforts to maintain the security of Customer Data.

5.4 Loss of Data. In the event of any act, error or omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of Customer Data or the physical, technical, administrative, or organizational safeguards put in place by Company that relate to the protection of the security, confidentiality, or integrity of Customer Data ("**Data Breach**"), Company shall, as applicable: (a) notify Customer as soon as practicable but no later than twenty-four (24) hours of becoming aware of such occurrence; and (b) reasonably cooperate with Customer in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by Customer; (c) perform or take any other actions reasonably required to comply with applicable law as a result of the occurrence; (d), indemnify, defend, and hold harmless Customer for any and all losses which may be suffered by, accrued against, charged to, or recoverable from Customer in connection with the occurrence of a Data Breach that is caused directly and exclusively by Company; (e) use commercially reasonable efforts to be responsible for recreating lost Customer Data in the manner and on the schedule set by Customer without charge to Customer; and, (f) provide to Customer a detailed plan within ten (10) calendar days of the occurrence describing the measures Company will undertake to prevent a future occurrence.

5.5 Access, Use, & Legal Compulsion. Unless it receives Customer's prior written consent, Company: (i) will not access or use Customer Data other than as necessary to facilitate the Service; and (ii) will not give any third party access to Customer Data. Notwithstanding the foregoing, and only to the extent Company has custody or control of any Customer Data, Company may disclose Customer Data as required by applicable law or by proper legal or governmental authority. Company will give Customer prompt notice of any such legal or governmental demand and reasonably cooperate with Customer in any effort to seek a protective order or otherwise to contest such required disclosure, at Customer's expense.

The Customer will be responsible for compliance with all applicable local, state, and federal laws governing the security, management, retention, access & control of Customer Data.

5.6 Customer's Rights. Customer possesses and retains all right, title, and interest in and to Customer Data, and Company's access thereto is solely as Customer's agent and is expressly limited as set forth herein.

5.7 Retention, Deletion, & Request for Data. Customer is responsible to make internal backups of all data used by or hosted on any software/service-based server. Upon termination of this EULA, Customer is responsible for retaining all Customer Data and shall permanently remove all such Customer Data from any Company provided hardware or servers that are required to be returned to the Company at the termination of the Agreement.

6. TERMINATION

6.1 This EULA shall terminate on the earlier of:

(a) the expiration of the Term as defined in Section 2.1;

(b) upon the mutual agreement of the parties; or

(c) upon written notice by either party, if the other party materially breaches any term of this EULA and fails to cure such breach within thirty (30) days after receipt by the breaching party of written notice from the non-breaching party describing such breach.

6.2 Upon termination or expiration of this EULA, (a) all use, rights and licenses granted to Customer hereunder will immediately cease and forever terminate; and (b) each party will promptly return the other party's Confidential Information.

6.4 Except as specifically provided herein or in the Agreement, if either party is entitled under local law or otherwise for any special payment or termination indemnity as a consequence of termination or expiration of this EULA, such party hereby waives and disclaims to the fullest extent permitted by law, any right to such payment or indemnity.

7. LIABILITY

7.1 Liability. Except as set forth in the Agreement and for the indemnification obligations set forth in this EULA, and/or actions involving or related to either party's gross negligence, neither party shall be liable to the other for any incidental, consequential, special, or punitive damages or lost or imputed profits or royalties arising out of this EULA or its termination, whether for breach of warranty or any obligation arising there from or otherwise, whether liability is asserted in contract or tort (including negligence and strict product liability) and irrespective of whether a party has advised or has been advised of the possibility of any such loss or damage. Each party hereby waives any claims that these exclusions deprive it of an adequate remedy.

7.2 Indemnification. Customer agrees to hold harmless, indemnify and defend Company, to the fullest extent then contemplated by the governing and applicable law for any administrative, legal or quasi-judicial action, threatened or realized ("action"), including, but not limited to allegations, claims, judgments, awards, costs, expenses, damages and liabilities of whatsoever kind and nature, including attorneys' fees and related defense costs and expenses, which may be asserted, granted, or imposed against Company directly or indirectly arising from or in connection with Customer's misuse or misappropriation of Company's Products or Services or unauthorized representation of the Products or Service or any breach of this EULA by Customer related to Customer's receipt and use of the Software.

7.3 COMPANY'S ENTIRE LIABILITY TO CUSTOMER UNDER THIS EULA, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT OR TORT (INCLUDING NEGLIGENCE) OR MISREPRESENTATION OR BREACH OF STATUTORY DUTY OR ANY DUTY UNDER GENERAL LAW OR ANY OTHER LEGAL THEORY, WILL NOT EXCEED \$100,000. FOR THE AVOIDANCE OF DOUBT, BOTH PARTIES ACKNOWLEDGE THAT THIS PROVISION RELATES TO A CAP ON LIABILITY AND IS NOT INTENDED TO SUGGEST ANY OBLIGATION, WHETHER AS A CONTRIBUTION OR OTHERWISE, ON THE PART OF ATS.

7.4 Company will not be responsible under this EULA for: (i) any alteration of the Service made by Customer to fit a particular requirement of Customer not intended by Company; or (ii) the correction of any

defects resulting from Customer modifications; or (iii) the results of misuse of the Service by Customer or its affiliates; or (iv) preparation or conversion of data into the form required for Use with the Service. COMPANY AND/OR ITS LICENSORS SHALL NOT BE LIABLE FOR ANY CLAIMS OR DAMAGES ARISING FROM INHERENTLY DANGEROUS USE OF THE SERVICE, CUSTOMER'S USE OF THE SERVICE IN VIOLATION OF APPLICABLE LAW, AND/OR ANY THIRD-PARTY SERVICE LICENSED HEREUNDER.

8. GENERAL PROVISIONS:

8.1 Notices. Any notice to be given hereunder by either party to the other may be effected by personal delivery in writing or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed to the respective party at the address appearing in the introductory paragraph of this EULA. Notices delivered personally shall be deemed communicated at the time of actual receipt; mailed notices shall be deemed communicated as of the third day following deposit in the United States mail.

8.2 Entire Agreement. This EULA, inclusive of the Agreement to which this is expressly incorporated therein by reference, contains the entire agreement and understanding between the parties hereto with respect to the subject matter hereof, and supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof. Any modification of this EULA will be effective only if such modification is in writing signed by the party against whom enforcement of such modification is sought.

8.3 Severability. If any provision of this EULA is invalid, illegal or unenforceable under any applicable statute or applicable law, it is to that extent to be deemed omitted. The remainder of the EULA shall be valid and enforceable to the maximum extent possible.

8.4 Governing Law. The laws of the State of Georgia shall govern all questions relative to the interpretation, construction, and enforcement of this EULA, without giving effect to the principles of conflict of laws thereof. The parties agree that any relief commenced and deemed necessary in furtherance of the protections afforded within this EULA, including any injunctive relief, shall be instituted in Fayette County, Peachtree City, Georgia and the United States District Court for the Northern District of Georgia.

8.5 Assignment. This EULA shall not be assignable or transferable by Customer without the prior written consent of Company. Company reserves the right to assign this EULA to a successor or affiliate in its sole discretion. The rights and obligations of Company under this EULA shall inure to the benefit of and shall be binding upon the successors and assigns of Company.

8.6 Force Majeure. Neither party shall be responsible for delays or failure of performance resulting from acts beyond the reasonable control of such party. Such acts shall include, but not be limited to, acts of God, strikes, walkouts, riots, acts of war, terrorism, epidemics, failure of suppliers to perform, governmental regulations, power failure, earthquake, or other disasters. If the anticipated or actual delay or non-performance exceeds thirty (30) calendar days, the other party may immediately terminate the EULA by giving notice of termination and such termination will be in addition to the other rights and remedies of the terminating party under the EULA, at law or in equity.

8.7 Waiver. The waiver by either party of a breach of any provisions of this EULA by the other party shall not operate or be construed as a waiver of any subsequent breach by such party.

8.8 Compliance with Laws. By accessing the Service, Customer confirms that this EULA and the

performance of any rights and obligations hereof:

(a) are not restricted by or contrary to any law or regulation applicable to the Customer;

(b) do not require registration or approval under the applicable laws governing Customer; and

(c) will not require termination payments or compulsory licensing under the applicable laws of Customer.

8.9 Counterparts. This EULA may be executed in counterparts, each of which may be original or electronic and shall together constitute one and the same binding instrument.

All parties represent and warrant that, on the date first written above, they are authorized to enter into this EULA in its entirety and duly bind their respective principals by their signatures below:

Service Level Agreement (“SLA”)

MAINTENANCE AND SUPPORT OVERVIEW

During the term of this EULA, Company shall provide full support, including continuous effort until the issue is resolved, as follows:

Requirement	Response
Email Support Response	Within one business day
Technical Telephone Help Desk	08.00 – 16.30 Monday through Friday Note: Eastern Standard Time;
Response to reported faults (Performance of remote diagnostic tests and determination of remedy)	Within one business day
On-site support (Inspection, Service and Repair)	All repairs must be completed within three (3) business days after fault reported to Company.

EXHIBIT 2

FORM OF NOTICE TO PROCEED

Reference is made to the Professional Services Agreement by and between American Traffic Solutions, Inc. ("ATS") and the Village of Willowbrook, IL ("Customer"), dated as of April 25, 2013, as such agreement was amended on _____, 2018 (the "Agreement"). Capitalized terms used in this Notice to Proceed shall have the meaning given to such term in the Agreement.

Customer hereby designates the procurement and deployment or installation of ALPR cameras at the following designated locations.

Execution of this Notice to Proceed by Customer shall serve as authorization for the procurement and deployment or installation of the ALPR cameras for all designated locations as follows:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____

Customer understands that implementation and installation of any location is subject to a feasibility of installation analysis, and if necessary, engineering results conducted by ATS and/or its subcontractor Cintel.

IN WITNESS WHEREOF, Customer has executed this Notice to Proceed as of the date written below.

EXHIBIT 3

Requirement	Response
Email Support Response	Within one business day
Technical Telephone Help Desk	08.00 ~ 16.30 Monday through Friday Note: Eastern Standard Time; Excludes Cintel standard company holidays.
Response to reported faults (Performance of remote diagnostic tests and determination of remedy)	Within one business day
On-site support (Inspection, Service and Repair of ALPR Equipment)	All repairs must be completed within three (3) Business Days after fault reported to Cintel.
Installation Completion	90 days from time of permit issuance 120 days from PO if no permit required

ATS (or its designated subcontractor) shall repair or replace all ALPR Equipment (including components), which may be done with replacement parts, unless such damaged component has been the subject of (a) improper handling or installation and repairs made by unauthorized persons, including the Customer; (b) misuse, neglect, accident on behalf of the Customer (or persons acting on its behalf other than a party authorized by ATS or Cintel); or (c) the Customer's violation of any term of this Agreement or the EULA.

Repair and replacement of poles and infrastructure shall be the responsibility of ATS for ATS owned infrastructure, and the Customer for all non ATS-owned infrastructure.

COMMITTEE MEETING

AGENDA ITEM SUMMARY SHEET

AGENDA ITEM DESCRIPTION

Proposal to contract with Everbridge – Nixle for mass notification within the Village of Willowbrook.

COMMITTEE REVIEW

- ☐ Finance/Administration
- ☐ Municipal Services
- ☒ Public Safety

Meeting Date: 04/09/18

- ☐ Discussion Only
- ☒ Approval of Staff Recommendation (for consideration by Village Board at a later date)
- ☐ Seeking Feedback
- ☐ Approval of Staff Recommendation (for immediate consideration by Village Board)
- ☐ Regular Report
- ☐ Report/documents requested by Committee

BACKGROUND

Nixle offers free and paid notification services for local police departments, county emergency management offices, municipal governments and their agencies within the United States. The Nixle service allows government agencies to send messages to local residents via phone, email and web. Information is delivered almost instantly. Nixle serves government agencies and organizations in all 50 states. By June 1, 2017 over 8,100 government agencies and over 3,000,000 subscribers were registered to use the Nixle location-based service.

Pricing for Village of Willowbrook based on a population of 8,560 is \$4,500 plus a one-time setup fee of \$500. This includes- unlimited users, unlimited messaging via voice, SMS, email, social media, unlimited groups, 5 keywords, automated NWS alerts, anonymous tipping, etc.

REQUEST FOR FEEDBACK (if any)

STAFF RECOMMENDATION (if any)

Staff recommends moving forward in contracting with Everbridge – Nixle.

Increase Your Resident Opt-In Database

Best Practices to Grow Your User Base

Brought to you by Everbridge and Nixle

#EBCommunity

Background

The following information was designed to share best practices to teach communities how to drive resident opt-in's and increase their contact database.

Over the course of many years, and thousands of communities, big and small, a series of best practices have been established to provide maximum results in increasing resident opt-in data bases for cities, towns, counties, states and more.

The ultimate goal is to keep residents informed, safe, and when necessary communicate critical and actionable information before, during and after an emergency crisis.

Providing ongoing pertinent communications including severe weather, missing or dangerous persons, road hazards and other public safety and community information is key in establishing an ongoing digital dialogue to keep your resident population continuously safe and informed.

#EBCommunity

3 Steps For Success

#EBCommunity

Steps For Success

REACH GOAL!

Devote appropriate
time and resources

Plan how to achieve your goals

Set opt-in goals

#EBCommunity

Step 1: Set Opt-In Goal

Establish Your Opt-In Goals

First, **identify the amount of opt-ins you are starting with**. This will provide you with a baseline on which your database will grow.

Ask your account representative "How many opt-ins already exist?" With millions of residents already in our system, you will likely already have contacts that you are not aware of.

Set your goal for how many opt-in's you would like to receive over a certain period of time

Example / City of Sunshine, USA

2,073 – Opt-ins in existing database
1,204 – Opt-ins from Everbridge

3,277 – Total current opt-ins

Target = 50% increase in 1 year
1,638 new opt-ins in 1 year

Goal = 4,916 total opt-ins in 1 year

#EBCommunity

Step 2: Plan How You Will Achieve Your Goals

Establish a Plan to Achieve Your Goal

Marketing Plan: Create a simple marketing plan. Use the suggestions in this document for successful examples.

Local Agencies: Work with local agencies to get the word out and increase the number of residents you can reach to have them opt-in.

#EBCommunity

Step 3: Establish Appropriate Time and Resources

Needed Resources

Identify the people who are needed to help support the plan.

Have a team meeting to discuss the overall goal and ensure everyone understands their role and responsibilities in making your notification solution successful.

#EBCommunity

How to Increase Opt-Ins

#EBCommunity

Issue a Press Release

Initial Press Release: Issue a press release to your community about your notification system. Include information on system usage and frequency as well as the types of messages that community members will receive. This ensures residents have clear expectations for the system and they understand its value. Don't forget to emphasize that the service is always free for residents.

Crisis Press Release: Issue a press release after a crisis urging residents to stay informed and to opt-in to receive public safety information.

Also consider setting up interviews for your agency representatives with the local media to help you reach a wide audience. Be sure to provide clear instructions on where and how people can register.

Feature | Week Ahead

Mayor to Residents: Continue Nixle Sign Up

Posted by Colleen Platt

To sign up to receive e-mails and text messages, residents must register. To register both your e-mail address and cellular phone number click here: <https://local.nixle.com/register/> Or to sign up for text messages only, simply text your zip code to 888777.

#EBCommunity

Weekly Social Media Postings

If your department is already using social media as a tool to engage the community, leverage it to ask residents to opt-in to receive notifications. You can let your followers know exactly what they need to do to sign up. Posting these instructions regularly will help increase subscribers.

Communicating on a regular basis, extending beyond ENS communications, is important in establishing a consistent rhythm of information for community members. Other content and event ideas to share online with the public include:

- ☒ "Meet the Chief" Police meet and greet the public
- ☒ "Touch a truck" DPW allows children to touch and sit in city vehicle's
- ☒ Library events
- ☒ School events
- ☒ Town events (parades, 4th of July, local sporting events, etc)

Urge residents to share and forward social media posts so that more members of the community can stay informed and join the opt-in database.

Provide a handout to residents sharing the opt-in benefits

#EBCommunity

Work with Community Groups to Increase Opt-ins

- ☒ Have mayors include your notification system, and the opt-in process in their "State of the City" speeches.
- ☒ At public events have iPads that have the sign-up page open so residents can opt-in.
- ☒ Have an Eagle Scout go to various assisted living facilities to help the senior citizens opt-in.
- ☒ Boy scouts/volunteers go door-to-door with a sign up spreadsheet or door hangers for those not home.
- ☒ Other community groups to work through include Neighborhood Watch, libraries, community centers, sports clubs, PAL, DARE.

Example: Eagle Scout helps police to urge residents to opt-in to receive notifications

Courtesy of Denville, NJ

#EBCommunity

Work with Community Groups to Increase Opt-ins

- ☒ Work with utility companies to include a resident opt-in message with monthly bills.
- ☒ Work with neighborhood watch groups to publicize the importance of opting in.
- ☒ Perform monthly tests of your notification system encouraging people to tell friends and family to sign up.
- ☒ Have a public resident opt-in table at as many municipal events as possible (think farmer's markets).
- ☒ Work with schools to send home opt-in instructions as part of the "Welcome Packet" at the beginning of the year.

Example: Include in school newsletters to parents, PTOs, SROs, and signage at school sporting events.

FREE EMERGENCY NOTIFICATIONS AVAILABLE – POLICE LOOK TO EXPAND PROGRAM

South Brunswick Police have a registration drive now underway for our emergency notification system. The goal is to increase the number of residents, businesses, and community members who receive the messages. Accurate and timely information is important in an emergency. This free notification system allows residents to receive timely information on road conditions, weather advisories, crime alerts, and safety tips. The notifications can be sent to your phone, email, or both.

#EBCommunity

Best Practices for Writing Messages

#EBCommunity

Types of Alerts and Message Writing

Message Content Ideas

- ☒ Provide relevant and interesting topics that encourage residents to opt-in
Community news, local events, positive news
Safety tips for the holidays
- ☒ Share information that affects residents daily lives
Traffic, road closures, detours, parking bans, festival or event updates
- ☒ Share critical safety information and solicit help

How to Write Effective Messages

Tips to Remember

- Keep the message simple
- Include a "call to action"
- Avoid insider terms
- Write in phrases, not sentences
- Effective word choice and use of punctuation

Example:

~~The Suffolk County Police Department is requesting the public's assistance in determining the location of a missing person...last seen: 4th & Pulaski~~

Don't Do

Help needed to find missing senior: Af Am Male, 5'9", 175 lbs, BLK hair, BL eyes, dragon tattoo right arm. Last seen: 4th & Pulaski

Do

#EBCommunity

Best Practices Abridged

Take the time to make sure that everyone in the department is educated about the system. When you have an entire department and/or city promoting the platform it will be a much more successful program.

Send quality information on a regular basis. The higher the quality of the information, the more people will be drawn to it.

Engage the residents. Don't talk to them, talk with them.

Capitalize on major events to drive opt-ins.

Cross platform marketing. Make sure you are getting the word out on all communication channels that you have access too.

Use human language, not "cop" language.

#EBCommunity

**For more information,
request a demo today**

Everbridge provides a unified critical communication suite that helps clients be better prepared, make better decisions, and respond quickly and confidently during disruptive events. When an incident happens, whether it's a natural disaster or an IT service outage, we automate communications to ensure that the right messages get to the right people at the right time.

Widely recognized by analysts as the market leader, Everbridge solutions are trusted by clients in all major industries and government sectors to connect with over 50 million people around the world.

#EBCommunity

Top Everbridge Nixle Stories of 2017

6 Stories of Public Safety Communications

2017 was another memorable year for agencies that use Everbridge Nixle to power public safety and community engagement notifications. As agencies pursue continuous improvement, it is helpful to take a look back at success stories from the previous year. With over 8,000 public safety organizations across the country utilizing Everbridge Nixle, we highlighted a handful of stories of agencies connecting with the residents they serve and protect, no matter the conditions or situation.

Use these stories as a template for best practices or simply as inspiration for your own unique ideas. The adaptability of Everbridge Nixle allows agencies to address a wide range of safety and wellness scenarios. Enjoy these examples and may you have a safe and healthy 2018!

LOCATION: SONOMA COUNTY, CA

EVENT: WILDFIRES

PROBLEM

During the October wildfires that took place in California this year, public safety officials needed to be able to send targeted notifications to specific neighborhoods informing residents of evacuation notices. During the fires, over 245 acres were burned, over 100,000 people were evacuated, and 9,000 homes and businesses were destroyed. Since so many residents were displaced with no access to their TVs or home phones, officials needed a way to communicate fire updates with all of their effected residents.

HOW EVERBRIDGE NIXLE HELPED

The Sonoma County Sheriff used Everbridge Nixle to provide timely updates to their community, before, during, and after the wildfires. Prior to the fires, Sonoma County had roughly 20,000 Nixle opt-ins, but through continued use of the system sending evacuation notices and fire updates, they had almost 260,000 residents sign up for Nixle.

THE OCTOBER 2017 NORTHERN CALIFORNIA WILDFIRES WERE THE WORST IN THAT STATE'S HISTORY.

LOCATION: PERRY COUNTY, MO

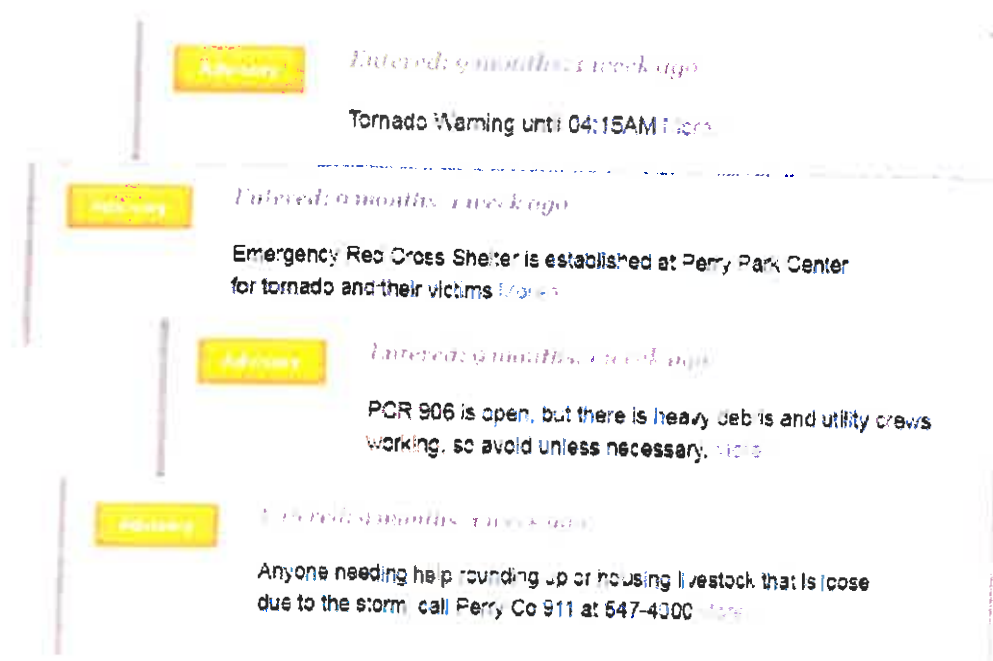

EVENT: TORNADOES

PROBLEM

Perry County, MO has a small population of 20,000 and is no stranger to tornadoes. They have tornado sirens in the open areas of the county, but the sirens can't reach all their residents nor can they provide context about the location or severity of the storm. In February of this year, an EF4 intensity tornado touched down in the county and caused widespread damage, destroying the homes of over 60 families.

HOW EVERBRIDGE NIXLE HELPED

Perry County leverages Everbridge Nixle's integration with the National Weather Service so that any NWS-issued tornado warnings are automatically sent out to any residents in the county that are in the path of the storm and have signed up for the alerts. Because residents were given a timely and detailed warning, the hour-long tornado caused only minor injuries and one fatality. Following the storm, the number of Perry County's Nixle subscribers nearly doubled.

LOCATION: THE PATH OF TOTALITY
EVENT: THE GREAT AMERICAN ECLIPSE

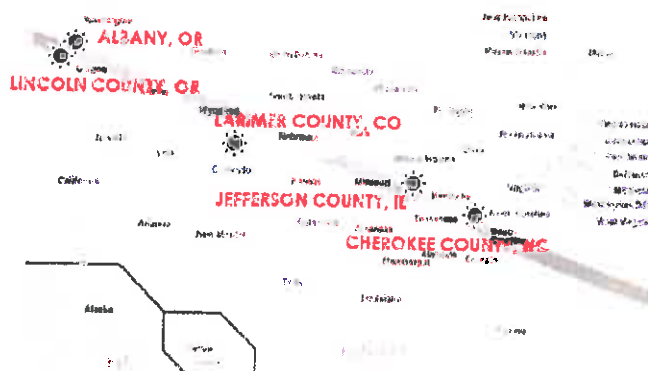

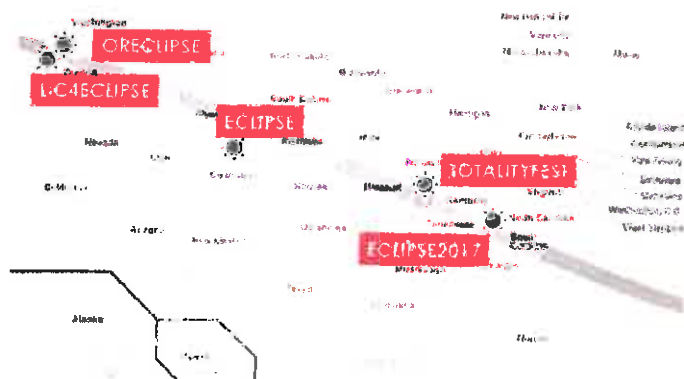

PROBLEM

The Great American Eclipse brought hundreds of thousands of visitors to areas within the path of totality. Small communities saw their populations double, or even triple in size overnight as visitors flooded their streets to get a view of the eclipse. Public safety officials needed a way communicate with residents and manage visitors to share eclipse safety tips, traffic incident and update notifications, and any other information that related to the event with anyone in their community.

HOW EVERBRIDGE NIXLE HELPED

Many public safety organizations along the path of totality used Nixle keywords to allow residents and visitors to easily opt-in to receive eclipse-specific notifications and updates sent directly to their cell phones. To sign up, they needed only to text a keyword to 888-777 and they would immediately begin receiving information directly from public safety organizations specifically about the day's events, and would stop receiving notifications once the event concluded.

LOCATION: LOS ANGELES, CA

EVENT: RECRUITING CHALLENGES

PROBLEM

Police departments across the country are struggling to find new recruits to backfill their ranks as older officers retire. Some agencies are using social media campaigns to attract younger audiences to their recruitment events, but find that very few are following through and signing up for academy tests. Unless potential recruits are left with easy access to resources showing how to become a police officer, they often may lose interest or forget where to find those resources.

HOW EVERBRIDGE NIXLE HELPED

The Los Angeles Sheriff's Department took an innovative approach to making sure potential recruits always have easy access to the department's application resources. They quickly realized that if they simply handed out a flyer, that flyer would be quickly forgotten or thrown away. To prevent this, they utilized Nixle to set up the key word 'joinLASD.' By promoting this keyword, anyone who texted it to 888-777 would be sent application resources directly to their phones so they would always have an easy way to access them.

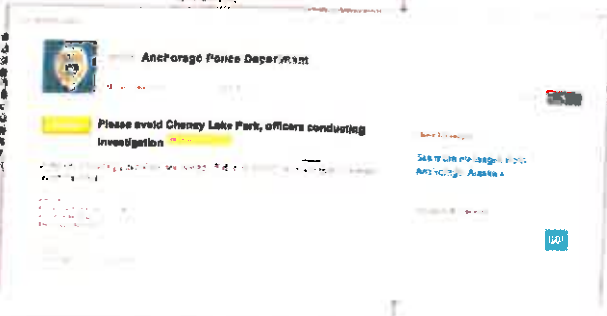

PROBLEM

A homicide at a local paint store prompted a manhunt in Anchorage, Alaska earlier this year. Police needed to find a stolen white Kia as quickly as possible to capture the lead suspect, but the vehicle could have been anywhere in the city and the department had limited time to find it. Combing every inch of the city in the hopes of finding the suspect's vehicle is a time-intensive process; Anchorage PD looked to crowdsource the search to save crucial time.

HOW EVERBRIDGE NIXLE HELPED

The Anchorage PD supplemented traditional search methods by using Nixle to send a notification to residents across the city with an image and description of the stolen vehicle. By sending the alert, the search party was effectively expanded from a few dozen officers to over 50,000 city residents. A resident who saw the image in the alert recalled the Kia from minutes earlier and provided officers with its exact location, where the suspect was quickly apprehended.

50,695 = Number of residents who receive Nixle alert from APD

The manhunt culminated in the capture of the suspect, who was identified as a white male, and the vehicle was recovered. The suspect is currently in custody.

LOCATION: DOUGLAS COUNTY, GA

EVENT: MISSING CHILD

PROBLEM

According to the National Center for Missing and Exploited Children (NCMEC), the first 48 hours after a child has gone missing are the most critical for a case. Due to strict rules and protocol, not every missing at-risk child can have an amber alert sent using the WEA system to alert residents, so officers must rely on less effective methods like a search party limited to officers and the child's friends and family. This occurred in Douglas County, Georgia when an autistic girl went missing earlier this year.

HOW EVERBRIDGE NIXLE HELPED

The police department used Everbridge Nixle to send an alert to residents in the area with an image and description of the girl, what she was wearing, and where she was last seen. Any missing child alert sent through Everbridge Nixle is also automatically entered in the National Center for Missing Children's database so they can assign a caseworker to help the agency in the search. The 13-year-old girl was located unharmed after a day of searching.

Douglas County, GA

National Center For Missing And Exploited Children

Everbridge Nixle is a leading provider of emergency alerts and public safety communications.

NATIONAL CENTER FOR
MISSING & EXPLOITED
CHILDREN
www.missingkids.com

Everbridge Nixle is a leading provider of emergency alerts and public safety communications.

NCMEC has provided support to law enforcement on 113 cases as a result of Nixle alerts. Of those, 102 have been resolved. **91% SUCCESS RATE**

At a time when public safety budgets and staff continue to be stretched, interagency cooperation and teamwork is essential to keeping people safe.

Increase Your Resident Opt-In Database

Best Practices to Grow Your User Base

Brought to you by Everbridge and Nixle

#EBCommunity

Background

The following information was designed to share best practices to teach communities how to drive resident opt-in's and increase their contact database.

Over the course of many years, and thousands of communities, big and small, a series of best practices have been established to provide maximum results in increasing resident opt-in data bases for cities, towns, counties, states and more.

The ultimate goal is to keep residents informed, safe, and when necessary communicate critical and actionable information before, during and after an emergency crisis.

Providing ongoing pertinent communications including severe weather, missing or dangerous persons, road hazards and other public safety and community information is key in establishing an ongoing digital dialogue to keep your resident population continuously safe and informed.

#EBCommunity

3 Steps For Success

#EBCommunity

Steps For Success

REACH GOAL!

Devote appropriate
time and resources

Plan how to achieve your goals

Set opt-in goals

#EBCommunity

Step 1: Set Opt-In Goal

Establish Your Opt-In Goals

First, **identify the amount of opt-ins you are starting with**. This will provide you with a baseline on which your database will grow.

Ask your account representative "How many opt-ins already exist?" With millions of residents already in our system, you will likely already have contacts that you are not aware of.

Set your goal for how many opt-in's you would like to receive over a certain period of time

Example / City of Sunshine, USA

2,073 – Opt-ins in existing database
1,204 – Opt-ins from Everbridge

3,277 – Total current opt-ins

Target = 50% increase in 1 year
1,638 new opt-ins in 1 year

Goal = 4,916 total opt-ins in 1 year

#EBCommunity

Step 2: Plan How You Will Achieve Your Goals

Establish a Plan to Achieve Your Goal

Marketing Plan: Create a simple marketing plan. Use the suggestions in this document for successful examples.

Local Agencies: Work with local agencies to get the word out and increase the number of residents you can reach to have them opt-in.

#EBCommunity

Step 3: Establish Appropriate Time and Resources

Needed Resources

- ☒ **Identify the people** who are needed to help support the plan.
- ☒ **Have a team meeting to discuss the overall goal** and ensure everyone understands their role and responsibilities in making your notification solution successful.

#EBCommunity

How to Increase Opt-Ins

#EBCommunity

Issue a Press Release

- ✓ **Initial Press Release:** Issue a press release to your community about your notification system. Include information on system usage and frequency as well as the types of messages that community members will receive. This ensures residents have clear expectations for the system and they understand its value. Don't forget to emphasize that the service is always free for residents.
- ✓ **Crisis Press Release:** Issue a press release after a crisis urging residents to stay informed and to opt-in to receive public safety information.

Also consider setting up interviews for your agency representatives with the local media to help you reach a wide audience. Be sure to provide clear instructions on where and how people can register.

Feature | Week Ahead

Mayor to Residents: Continue Nixle Sign Up

Posted by Correen Platt

To sign up to receive e-mails and text messages, residents must register. To register both your e-mail address and cellular phone number click here: <https://local.nixle.com/register/> Or to sign up for text messages only, simply text your zip code to 888777.

#EBCommunity

Weekly Social Media Postings

If your department is already using social media as a tool to engage the community, leverage it to ask residents to opt-in to receive notifications. You can let your followers know exactly what they need to do to sign up. Posting these instructions regularly will help increase subscribers.

Communicating on a regular basis, extending beyond ENS communications, is important in establishing a consistent rhythm of information for community members. Other content and event ideas to share online with the public include:

- ☒ "Meet the Chief" Police meet and greet the public
- ☒ "Touch a truck" DPW allows children to touch and sit in city vehicle's
- ☒ Library events
- ☒ School events
- ☒ Town events (parades, 4th of July, local sporting events, etc)

Urge residents to share and forward social media posts so that more members of the community can stay informed and join the opt-in database.

#EBCommunity

Work with Community Groups to Increase Opt-ins

- ✓ Have mayors include your notification system, and the opt-in process in their "State of the City" speeches.
- ✓ At public events have iPads that have the sign-up page open so residents can opt-in.
- ✓ Have an Eagle Scout go to various assisted living facilities to help the senior citizens opt-in.
- ✓ Boy scouts/volunteers go door-to-door with a sign up spreadsheet or door hangers for those not home.
- ✓ Other community groups to work through include Neighborhood Watch, libraries, community centers, sports clubs, PAL, DARE.

Example: Eagle Scout helps police to urge residents to opt-in to receive notifications

Courtesy of Denville, NJ

#EBCommunity

Work with Community Groups to Increase Opt-ins

- ☒ Work with utility companies to include a resident opt-in message with monthly bills.
- ☒ Work with neighborhood watch groups to publicize the importance of opting in.
- ☒ Perform monthly tests of your notification system encouraging people to tell friends and family to sign up.
- ☒ Have a public resident opt-in table at as many municipal events as possible (think farmer's markets).
- ☒ Work with schools to send home opt-in instructions as part of the "Welcome Packet" at the beginning of the year.

Example: Include in school newsletters to parents, PTOs, SROs, and signage at school sporting events.

FREE EMERGENCY NOTIFICATIONS AVAILABLE – POLICE LOOK TO EXPAND PROGRAM

South Brunswick Police have a registration drive now underway for our emergency notification system. The goal is to increase the number of residents, businesses, and community members who receive the messages. Accurate and timely information is important in an emergency. This free notification system allows residents to receive timely information on road conditions, weather advisories, crime alerts, and safety tips. The notifications can be sent to your phone, email, or both.

#EBCommunity

The background of the entire page is a repeating pattern of green speech bubbles. Each bubble contains a white icon: some have a single dot, some have three dots, and some have a double arrow. A large, dark teal rectangular block is centered on the page, containing the main title.

Best Practices for Writing Messages

#EBCommunity

Types of Alerts and Message Writing

Message Content Ideas

- ☒ Provide relevant and interesting topics that encourage residents to opt-in
- Community news, local events, positive news**
- Safety tips for the holidays**
- ☒ Share information that affects residents daily lives
- Traffic, road closures, detours, parking bans, festival or event updates**
- ☒ Share critical safety information and solicit help

Send Messages Throughout an Event or Crisis

Deliver Information Throughout the Lifecycle of an Event or Crisis

- Keep residents engaged and informed
- Helps you control information
- Increases the likelihood a resident or visitor sees a message
- Increases the chance the message goes viral

Manage an Event or Crisis

Manage an incident or crisis effectively by sending public safety information before, during and after the event.

#EBCommunity

How to Write Effective Messages

Tips to Remember

- Keep the message simple
- Include a "call to action"
- Avoid insider terms
- Write in phrases, not sentences
- Effective word choice and use of punctuation

Example:

The Suffolk County Police Department is requesting the public's assistance in determining the location of a person "at risk" person...le...see... & Pulaski

Help needed to find missing senior: Af Am Male, 5'9", 175 lbs., BLK hair, BL eyes, dragon tattoo right arm. Last seen: 4th & Pulaski

Don't Do

D

#EBCCommunity

Best Practices Abridged

Take the time to make sure that everyone in the department is educated about the system. When you have an entire department and/or city promoting the platform it will be a much more successful program.

Send quality information on a regular basis. The higher the quality of the information, the more people will be drawn to it.

Engage the residents. Don't talk to them, talk with them.

Capitalize on major events to drive opt-ins.

Cross platform marketing. Make sure you are getting the word out on all communication channels that you have access too.

Use human language, not "cop" language.

#EBCommunity

**For more information,
request a demo today**

Everbridge provides a unified critical communication suite that helps clients be better prepared, make better decisions, and respond quickly and confidently during disruptive events. When an incident happens, whether it's a natural disaster or an IT service outage, we automate communications to ensure that the right messages get to the right people at the right time.

Widely recognized by analysts as the market leader, Everbridge solutions are trusted by clients in all major industries and government sectors to connect with over 50 million people around the world.

BACKGROUND

The attached Letter(s) of Appreciation for the Willowbrook Police Department Officers.

- Sergeant Art Svehla
- Sergeant Lauren Kaspar
- Officer Scott Eisenbeis
- Officer Darren Biggs
- Detective John Handzik
- Officer Nick Volek
- Officer Matt Vanderjack

REQUEST FOR FEEDBACK (if any)

None.

STAFF RECOMMENDATION (if any)

None.

February 20, 2018

Chief Robert Pavelchik

Deputy Chief Robert Shaller

Gentlemen:

I am writing to tell you how helpful and supportive your team is, when I had an incident back in December 2017. There are two numbers:

17-16485 Incident # Biggs, Eisenbeis, Svehla

18-1857 Report # Kasper

I had to remove an employee and was told by my attorney to ask if a police officer could be there.

I am sorry I cannot remember proper names. Two wonderful gentlemen showed up, and gave us excellent support. I believe they were Officer Biggs (#513) and Sargent Svehla (#508)

They came into the office and carefully/professionally handled the situation.

I stopped by the department the next day and to let someone now how I appreciated their support. (dropped off some smile face cookies and donuts). The gentleman I met there was most helpful and said he would make certain they did get those to the proper officers.

We are in the process of Filing an insurance company claim for some of the gentleman's deceitful theft. They needed us to file a police report.

My wife and I stopped by the department on Monday and once again the staff there was most helpful. We met with Lauren Kasper and she spent time with us and explained what we needed to provide to her and how the report would work. She was extremely pleasant, helpful, and informative. (Yep, left some smile face cookies and donuts on Monday and they said they would be shared by all there).

My impression is that you have a wonderful team there and they work together to help anyone who shows up.

One more item: The material on your walls highlighting the help and support you provide to residents, the incident in New York many years ago, and special fund raisers is all most impressive and demonstrates your success.

Please extend my thanks to your team.

Blessings and All the very best to all.

Arthur

Leo Schmitz
Director

Dear Chief Schaller:

This letter is being sent to you to identify the performance and accomplishments of Lauren Kaspar during the time she was assigned to the Illinois State Police task force known by the acronym NARCINT. As an Illinois State Police Master Sergeant and group supervisor of NARCINT, I was her immediate and direct supervisor since her assignment at NARCINT commenced in October, 2014.

Her tenure at NARCINT has been somewhat spectacular for the following reasons. First, she grasped the philosophy, objectives, mission, and fundamentals of NARCINT quickly and at a pace quicker than most officers so assigned. Almost immediately after she arrived, her first assignment resulted in the seizure of almost 8,000 grams of cannabis, \$4,000.00, and a motor vehicle. She has been a diligent and loyal member of our team concept creating numerous cases for investigation and seizure. Among the larger cases she personally initiated are four that resulted in the seizure of 60,000 grams of cannabis, \$231,000.00, and four (4) motor vehicles. Officer Kaspar has received numerous awards for quality work including five (5) separate awards from the MEG and Task Force Awards Ceremonies during 2015, 2016, and 2017.

The foregoing identifies some of her quantifiable performance attributes. But a second reason exists for her spectacular performance at NARCINT which is not readily quantifiable but is evidence of her outstanding team participation, leadership and supervisory potential. Shortly after her arrival, I noticed the other Task Force officers were seeking her assistance in report writing and in the preparation of documents related to search warrants, tracking orders, overhears, and subpoenas. Not only is her report writing superior in form and substance but stands out as a rarity in law enforcement today. But the quality of her report preparation cannot be overshadowed by the fact that she assisted virtually everyone in our unit with their report writing including officers who had significantly more tenure at NARCINT than she. This willingness to assist fellow officers is a significant indicator of her leadership abilities as teaching and assisting others in their tasks is a cardinal component of leadership.

Her quantifiable performance does not include her leadership abilities to which all of her colleagues at NARCINT can readily attest. Also, despite her intense performance at NARCINT, she did not ignore the continual training experience. From 2015-2017 she attended the annual Illinois Homicide Investigators Association conference and the Motor Vehicle Criminal Interdiction conference. In 2017, she attended the International Narcotics Interdiction Association conference. I personally saw her apply many of the subjects she learned from these conferences to her daily activities and responsibilities while assigned to NARCINT.

LAUREN KASPAR was an extremely valuable asset to NARCINT and her departure will leave a void that will be difficult to fill as she has so many talents that she shared with her colleagues. In my opinion, she will excel in whatever assignment she may have and she will always demonstrate significant leadership abilities. In my opinion, her qualifications and potential for promotion to supervisory position are extraordinary.

Sincerely,

A handwritten signature in dark ink, appearing to read "M/Sgt. Mark Brzeczek", with a long horizontal stroke extending to the right.

M/Sgt. Mark Brzeczek 4900

Willowbrook, IL 60527

Dear Sir, On August 1 a check was presented to Community Bank of Willowbrook for payment. Upon receipt of the statement, the check was completely fraudulent. After completing the Affidavit of Fraud for the Bank, they requested I also file Police Report.

I called the Police Department and Detective John Hansick arrived at my office shortly thereafter and took the report 170808010796. He was completely helpful to me and cooperation with Willowbrook Bank. In the process they were able to locate the money at a credit union in the State of Washington.

Last week the money was recovered and deposited to my Corporate Account. Detective Hansick assisted in completing all the forms and requirements to see this theft to total recovery.

Chief Pavelchik,

On Wednesday 12/13/17 at 0900 hrs. we conducted a K-9 sweep of Lake Park High School West campus. This sweep was done at the request of the Lake Park High School District and organized by our school resource officer Chris Schwytzer. During the sweep the school was in a Lock-Down so no students, teachers, or visitors were in the hallways. The sweep covered the hallways, several classrooms and the locker rooms. No students were exposed to the K-9 teams, and a school administrator was assigned to each team.

I want to take this opportunity to express our gratitude to **Officer Volek** and his K9 for taking the time to assist us in the sweep and for their professionalism. The sweep lasted approximately 20 minutes and was run very smoothly. I look forward to working with Officer Volek and his K9 in the future.

Sincerely,

Tim Noverini
Assistant Principal
Lake Park High School

Willowbrook, IL 60527

Dear Chief Pavelchik:

On August 17, 2017, the Elmhurst Police Department conducted a special multijurisdictional "Heroin Highway" detail with assistance from a number of neighboring law enforcement agencies, including **Officer Nicholas Volek** from Willowbrook.

Our goal was to target suburban drug buyers traveling I-290 to the west side of Chicago to purchase narcotics. The detail was a success, with 10 felony arrests for Unlawful Possession of a Controlled Substance (heroin and cocaine), 1 arrest for DUI Drugs, 1 ordinance arrest for Unlawful Possession of Cannabis, and 1 warrant arrest. This is a fine example of law enforcement agencies working together, and I would like to acknowledge personally the contribution made by Officer Volek.

Please extend my sincere appreciation to Officer Volek. We appreciate the continued support and professional assistance provided by your agency and look forward to reciprocating in the future.

Sincerely,

Michael R. Ruth
Chief of Police

Willowbrook, IL 60527

Dear Chief Pavelchik:

On behalf of District 200, Wheaton North and Wheaton Warrenville South High Schools, I would like to express our most sincere appreciation for the assistance provided by Officer Nicholas Volek and his dog Artos during building searches at our two high schools on December 5, 2017. In cooperation with four other agencies and building staff, Officer Volek and his dog were extremely professional and helpful during the search. Even though no drugs were found, we believe this helps send a strong message to our students, staff, parents, and the community that we will do everything we can to prevent the presence of drugs on our campuses.

As school officials, we cannot conduct these searches without the expertise, experience, and support of your staff. We are truly grateful for their participation in supporting a safe and drug-free environment in District 200.

Regards,

Robert A. Rammer, Ph.D.,
Assistant Superintendent

Dear Chief Pavelchik,

On Saturday, December 23, 2017, Clarendon Hills Police Officers responded to a vehicle vs. pedestrian crash at 55th and Western Ave. in Clarendon Hills. Upon arrival, officers observed a subject down on the street with a crowd gathering. A request for mutual aid was made and members of the Willowbrook Police Department responded to render assistance.

I want to thank and recognize Officer M. Vanderjack for his assistance with providing traffic control during our prolonged traffic crash investigation.

We are thankful and appreciative of your department's assistance. Teamwork and cooperation among agencies is the key to continued success. Please do not hesitate to call on the Clarendon Hills Police Department for assistance should the incident arise.

Sincerely,

Boyd Farmer
Chief of Police
Clarendon Hills Police Department

BACKGROUND

- LEADS Agency Audit

REQUEST FOR FEEDBACK (if any)

None.

STAFF RECOMMENDATION (if any)

None.

ILLINOIS STATE POLICE
Division of Administration

Bruce Rauner
Governor

Leo P. Schmitz
Director

March 14, 2018

Chief Robert Schaller
Willowbrook Police Department
7760 Quincy Street
Willowbrook, Illinois 60527

Dear Chief Schaller,

A LEADS agency audit was recently conducted for your department by Annette Scharfenberg, Illinois State Police, Bureau of Field Services. A LEADS audit is inherent with participation in LEADS/NCIC as described in the LEADS Regulations and Policies. NCIC mandates that the CJIS Systems Agency (Illinois State Police) conduct an audit of each agency every three years.

Through the audit process, the objective is to ensure the quality and accuracy of the records entered into LEADS/NCIC and to assist users in complying with the rules and regulations of LEADS/NCIC. Accurate records and compliance with system guidelines reduce potential liability for your department.

During the audit, specific areas addressed by LEADS and/or NCIC policy were reviewed, including LEADS/NCIC computerized hot file records and supporting documentation, security, criminal history record information, LEADS training, hit confirmation, operational and administrative procedures, and LEADS messaging. Your agency was found in compliance with all applicable areas. If you desire to review the complete audit report, your agency's LEADS Agency Coordinator (LAC) may print a final copy of the audit from our auditing software, *CJIS-Audit*.

Congratulations on your agency's full compliance with LEADS/NCIC rules, regulations and policies. Please extend our sincere appreciation to your staff for their cooperative assistance during the audit and congratulations for their outstanding efforts with full compliance in all areas.

Respectfully,

Carol A. Gibbs
LEADS Administrator

cc: Ms. Laurie Schmitz, LEADS Agency Coordinator
