This afternoon I saw a pair of officers from Willowbrook handling a call. They were polite, they did not escalate the situation, and they did not call attention to what they were doing. They approached an individual and established rapport, and then got him to accompany them outside of the restaurant we were in, all without anyone else in my party (or any others as near as I could tell) noticing what they were doing. These officers were amazing, and I wanted to say how much I appreciated the job they did today.

Re: Citation—Traffic Signal Violations
Citation#: 28418000
Type: Failure to Stop at a Red Light

We have received the 'Findings, Decisions and Order' letter regarding this citation and are very pleased that the determination made at the administrative hearing was 'Not Liable'. Though it was distressing to receive the citation, the prompt and courteous communication with the Willowbrook Police Department was much appreciated.

Our police/first responders have a tough and under appreciated job (by some, if not many people), so even if the hearing decision had been otherwise I would still salute and thank you for the service you provide.

Sincerely, Perry
