BACKGROUND

The DuPage County Children's Advocacy Center was founded in March of 1987. Its mission has been to provide a coordinated, multi-disciplinary approach to child sexual abuse investigations which recognizes the special needs of child victims while demanding accountability for the crime of sexual abuse.

In 1999, State's Attorney Joseph E. Birkett, the Chairman of the Children's Center Advisory Board, expanded the mission of the Center to provide the same coordinated approach to cases involving serious physical abuse of children.

In 2001, State's Attorney Birkett expanded the mission to include interviewing children who have witnessed domestic violence or violent crimes at the request of any police department or prosecutor.

The DuPage County Children's Advocacy Center is a specialized unit of the DuPage County State's Attorney's Office. Consisting of a Director, a Deputy Chief of Investigations, criminal investigators, child protective investigators on special assignment from DCFS, case managers and a division assistant. The Children's Center investigates and processes all cases of child sexual and severe physical abuse in the County and works with children who witness violent crimes. The Children's Center relies on funding from federal, state, county, local and private sources to provide services.

Chief Robert Schaller
Willowbrook Police Department
7760 S. Quincy Street
Willowbrook, IL 60527

Dear Chief Robert Schaller:

On behalf of the Village of Lemont and the Lemont Police Department, I would like to thank you for sending a representative from your Department to display your vehicle in this year's "Lemont Cruise Nights", the Law Enforcement Vehicle Night held on **August 7, 2019**. This is a great event for community members to have a positive interaction with the policing community.

Like last year, we decided to combine our "Kops-N-Kidz" event with our Law Enforcement Vehicle Show. The event was well attended by the community and by many young Lemont residents. There was a variety of Departmental squads, specialty vehicles, and D.A.R.E. cars at the show. The parade of vehicles with lights and sirens that ended the evening was a hit for all those present. A great time was had by all!

Thank you again and we hope to see you at our show next year!

Sincerely,

Marc R. Maton
Chief of Police
