Interim Superintendent Fenske asked the board to refer to the agenda on information on the new cannabis laws and regulations. There was a discussion on possible fines, usage and whether it would be legal or illegal to possess cannabis in the park.

Trustee Berglund suggested that if the commission wanted to pursue any new laws, they should attend the next Laws and Ordinances Committee Meeting.

b. Compass Soccer

Interim Supt. Fenske stated that on January 20, there was a meeting with Compass Soccer and Village Staff to discuss their proposed plans for a possible redevelopment of the Midway Park Field. Some of the changes mentioned in the meeting were the installation of a regulation size artificial turf field, which is 100 yards by 60 yards which would include lighting. The estimated cost is 1.6 million dollars. The property is long enough but not wide enough. Interim Supt. Fenske told them that any redevelopment would have to include a parking lot. He mentioned the other areas in the park that were proposed, but they were also too small. Commissioner Kanaverskis asked what age group they were targeting, and there could be a problem with groups using the field without permits and drinking.
