BACKGROUND

Weapons of Mass Destruction Special Response Team (SRT): A highly trained, equipped, and skilled tactical team that serves as a resource for ILEAS member agencies in handling weapons of mass destruction incidents. In addition to standard SWAT equipment each team also has hazardous materials protective gear and detection equipment, an armored vehicle and self-contained breathing apparatus. The mission of WMD SRT is to respond to a weapons of mass destruction incident anywhere in the state or other area approved by the Director of the Illinois Emergency Management Agency and to provide all avenues of support to the local incident commander, the State Weapons of Mass Destruction (SWMD) Team and the appropriate federal agencies responsible for the mitigation and investigation of such incidents.

WMD SRT, requires operators to already be a member of a conventional SWAT team such as MERIT SWAT. Members of regional SWAT teams are then selected based on work ethic, dedication, and commitment to their SWAT assignment. Officer Martino possesses the skills, knowledge, and abilities that would make him a prime candidate for selection to the WMD SRT. I would respectfully request that you consider allowing him the opportunity to apply to the selection process.

REQUEST FOR FEEDBACK (if any)

STAFF RECOMMENDATION (if any)

Staff recommends allowing Officer Martino to apply for the selection process.

Willowbrook, IL 60527

Ref.: Officer James Martino/WMD SRT

Chief Schaller,

My name is Deputy Steven Crane and on January 1st, 2021 I took over the position of Team Commander for the ILEAS Region North Weapons of Mass Destruction Special Response Team (WMD SRT) for which the Village of Willowbrook falls into our regional area of responsibility. The purpose of this memo is to express my interest in having Officer James Martino join our team.

Through the ILEAS system, the State of Illinois is broken up into 6 regions, and DuPage County falls into the recently reconfigured Region North, which encompasses most of Northern Illinois, generally North of I-80, with the exception of Cook, Lake, and McHenry Counties. Region North WMD SRT has 40 operators (3 vacancies currently) and 2 Tactical Emergency Medics. This manpower is supplied by 20 different agencies both police and fire, representing 8 different conventional SWAT teams. The agencies supplying manpower span from Stephenson County Sheriff's Office and Rockford PD to the West to Joliet PD and Beecher PD to the South with most agencies in between. The DuPage County Sheriff's Office will be taking over as the region hub for Region North in January.

WMD SRT trains twice a month, the first and third Friday's of each month. ILEAS requires that each operator attends 80% of all trainings. Because ILEAS put a premium of training, ILEAS will provide Overtime Reimbursement to an agency to account for overtime costs incurred by the agency. This can cover overtime costs incurred to hire back an officer to fill the spot vacated by Officer Martino so he

could attend training and not affect the staffing of your Department that day, or if training falls of Officer Martino's day off, he can apply for that overtime.

WMD SRT is fortunate that it receives exceptional training from subject matter experts in the SWAT community and in chemical, biological, radiological, and nuclear realms, which is our mission area. Because of this exceptional training, operators from our team bring back this knowledge to their departments and teach it to their colleagues. This is a huge benefit to departments.

On WMD SRT, we require operators to already be a member of a conventional SWAT team such as MERIT SWAT. I know Officer Martino from being on MERIT SWAT with him and he fulfills that requirement. I know his work ethic, his dedication and commitment to the team. Officer Martino possess the skills, knowledge, and abilities that would make him a prime candidate for selection to the WMD SRT. I would respectfully request that you consider allowing him the opportunity to apply to our selection process. I look forward to speaking to you further on this matter should you have any questions or comments.

Respectfully submitted,

Deputy Steven Crane #394

DRAFT

PUBLIC NOTICE RESIDENT ZONE PERMIT PARKING

Dear Property Owners/Residents of 79th Street:

Effective March 1st, 2021, Village of Willowbrook residents/homeowners residing on 79th Street from Clarendon Hills Road east to the 50 block of 79th Street will adhere to "Resident Zone Permit Parking" for motor vehicle owners only. Based on requests from residents and the results of our in-house parking data analysis, it has been determined that an increase in parking congestion along with a shortage of available parking spaces exist due to non-residential motor vehicles being parked on that portion of 79th Street. The Village will now restrict parking on 79th Street to "**Resident Zone Permit Parking**" to motor vehicle owners residing on 79th Street from Clarendon Hills Road east to the 50 block of 79th Street in the Village of Willowbrook. We ask that residents/homeowner refer to the following to determine individual requirements:

"8-8-18: Resident Zone Permit Parking:

- A) Both sides of 79th Street, from Clarendon Hills Road east to the 50 block of 79th Street, is hereby established and declared a Resident-Only Permit Parking Zone and street parking shall, at all times, be restricted as follows:
 - 1) Parking on 79th Street from Clarendon Hills Road east to the 50 block of 79th Street Permit Parking Zone shall, at times, be limited to motor vehicles owned or leased by residents of the 79th Street Permit Parking Zone area, displaying a valid zone parking zone permit issued by the Chief of Police of the Village or his/her designee.
 - 2) Parking zone permits shall be affixed on the lower left (driver's side) of the vehicle's rear window;
 - 3) No more than four (4) permits shall be issued per residential dwelling;
 - 4) Qualified parking zone residents may request, on forms provided by the Village, temporary permit hang-on permits for the benefit of their guests or invitees;
 - 5) Temporary hang-on permits must be returned to the Village police department within seven (7) days after issuance.

Please direct any related questions, comments, or inquiries to the Willowbrook Police Department.
