### STAFF REPORT

**TO:** Mayor Trilla and Board of Trustees  
**FROM:** Alex Arteaga, Assistant Village Administrator  
**THROUGH:** Sean Halloran, Village Administrator

The Village of Willowbrook would like to recognize Reese Baughman, Sara Pelini, and Claire Weigus, Ambassador members of Girl Scout Troop 51190, for achieving the Gold Award, the highest award in Girl Scouting. All three have been members of the Girl Scouts since kindergarten at Gower West.

Through each level of Girl Scouts, they have earned and completed badges and journeys, earning the Bronze and Silver Awards along the way, and culminating in the final Gold Award.

- Reese Baughman earned her Gold Award by installing a little free library at Farmingdale Park. The inspiration for the little library came from her love for reading and her desire to share said love with her community. Reese has been dancing at Impact Dance Studio in Countryside/La Grange for 13 years, since she was 5 years old. She also has performed on the Hinsdale South High School Dance Team through all four years there.
- Sara Pelini earned her Gold Award by organizing an interactive storybook walk at Harvester Park in Burr Ridge. Sara hosted an event at the Burr Ridge Park District for families and other Girl Scouts to come out and enjoy a book written by a local author. She has been dancing at Impact Dance Studio in Countryside/La Grange for 14 years, since she was 4 years old. At Hinsdale Central, she was a member of the Dance Team and the Girls' Lacrosse Team.
- Claire Weigus's Gold Award focuses on exploring the world around us. She created nature exploration kits, available at Harvester Park, which combine scavenger hunting and learning fun facts about the wetlands and Route 66 park. Claire has been dancing for 15 years and is currently at Exhibit 3 Dance Company. She is also the editor-in-chief of her school newspaper at Hinsdale South High School and enjoys running, reading, and golfing in her free time.

5. PRESENTATION OF MERITORIOUS SERVICE AWARDS:

- b. Officer Aaron Porter

Chief Kaspar began her presentation with a review of the eligibility requirements for the Meritorious Service Award plus honorarium:

Any Willowbrook employee during his/her regular course of employment shall be eligible if, in attempting to save the life of another or prevent serious injuries to another, exhibits superior efforts in a range which exceeds the common standards of performance expected of his/her profession.

The Chief then related the incident that warranted this award to the police personnel at this meeting:

On February 28th, 2024, Willowbrook officers responded to the report of a suicidal subject. Upon arrival, the subject was not in the location initially believed to be, at which time the officers showcased their commitment to ensuring the safety and well-being of an individual in distress, by conducting a swift and methodical search. Officers located the subject in the 12th floor stairwell of a high-rise building, elevated 15 feet from the ground. The subject was visibly upset and threatening to cause themselves harm by jumping. Officers courageously positioned themselves on the landing and exhibited patience, empathy, and professionalism during the two-hour dialogue with the subject. The efforts to establish trust and rapport, despite the challenging circumstances, reflect the high standards of these officers. All officers involved should be commended for the exemplary service and dedication exhibited during the incident. Their actions not only saved a life but also exemplified the values of compassion, professionalism, and selflessness that define the Willowbrook Police Department.

Administrator Halloran noted that in the five-year Capital Improvement Program (CIP), for FY 24/25 approximately \$4.5 million would be spent on park development. Staff is confident that the funding will be available to maintain the capital improvements.

Director Kleefisch advised the Board that on March 5<sup>th</sup>, 2024, the Village was notified by DuPage County Stormwater Management staff that the Village had been awarded the DuPage County Water Quality Improvement Program grant. This grant opportunity is specific for projects within DuPage county that help improve the water quality of rivers and tributaries.

The \$60,000 grant is earmarked for the pond and streambank enhancement portion of the Borse Memorial Park Phase project. This grant amount represents 16% of the total project cost of \$375,000. To receive the grant funds, DuPage County requires an Intergovernmental Agreement (IGA) outlining the requirements and responsibilities of the grant.

12. RESOLUTION NO. 24-R-22 - A RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF A FIVE-YEAR CONTRACT WITH CLARKE ENVIRONMENTAL MOSQUITO MANAGEMENT, INC. FOR THE PROVISION OF MOSQUITO ABATEMENT SERVICES ON BEHALF OF THE VILLAGE OF WILLOWBROOK (ADOPT)

In 2013, DuPage County communities surveyed mosquito management vendors to create consistency in addressing mosquito activity across the county. This survey also included monitoring the impact of traditional products and application processes introduced to the environment. Clarke Environmental Management, Inc. (Clarke) was the vendor of choice due to their proprietary product line and unique application processes. In 2018 the Village chose Clarke's EarthRight Program dedicated to eco-friendliness as compared to other vendor's programs.

The latest contract renewal with Clarke expired in 2023. Clarke has proposed a five-year agreement beginning May 1, 2024, in the amount of \$27,370 for the first year, and not to exceed a maximum increase of 3% each year thereafter. The agreement also contains a clause that, if the consumer price index is lower than 3% each year, the lower percentage would be applied.

Trustee Neal asked if notification information will be on the website so the residents will be aware of the application dates and times. Director Valent indicated that the intention is to ensure information is available on the website and any other communications methods used by the Village. Administrator Halloran agreed that notification was

planned but may not always be possible due to the vendor's schedule and the possibility of emergency spraying.

MOTION: Made by Trustee Ruffolo and seconded by Trustee Astrella to adopt Resolution No. 24-R-22 as presented.

ROLL CALL VOTE: AYES: Trustees Astrella, Berglund, Davi, Mistele and Neal and Ruffolo. NAYS: None. ABSENT: None.

13. RESOLUTION NO. 24-R-23 - A RESOLUTION APPROVING AND AUTHORIZING THE VILLAGE CHIEF OF POLICE TO EXECUTE, ON BEHALF OF THE VILLAGE OF WILLOWBROOK, AN INTERGOVERNMENTAL OPERATING AGREEMENT TO ESTABLISH A STATE-SIDE MULTI-JURISDICTIONAL VIOLENT CRIME INTELLIGENCE TASK FORCE WITH THE ILLINOIS STATE POLICE (ADOPT)

Chief Kaspar asked Deputy Chief Kadolph to speak on this topic. Deputy Chief Kadolph state that stated this agreement will authorize the Police Department to partner with the Illinois State Police (ISP) Violent Crime Intelligence Task Force to assist in enforcing Illinois statutes related to firearms identification card and carrying of firearms.

This partnership will authorize the Police Department to share critical intelligence and to partner with the task force in enforcing firearm violations. The ISP offers grant funds to local agencies to cover additional personnel costs including overtime associated with participation in this task force.

The Willowbrook Police Department is seeking \$5,000 in grant funds in the state fiscal year 2024 to cover expenditures in this partnership with the task force. This opportunity will allow the Willowbrook to improve its processes in identifying persons with revoked FOID cards or illegally possessed firearms.

Currently the Willowbrook Police Department receives information from ISP regarding revoked FOID cards or Concealed Carry permits when the card or permit holder is notified. With limited resources and manpower, not further follow-up is made by Willowbrook officers. This partnership will provide additional resources for follow-up to ensure compliance.

MOTION: Made by Trustee Davi and seconded by Trustee Neal to adopt Resolution No. 24-R-23 as presented.

ROLL CALL VOTE: AYES: Trustees Astrella, Berglund, Davi, Mistele and Neal and Ruffolo. NAYS: None. ABSENT: None.

14.RESOLUTION NO. 24-R-24 - A RESOLUTION OF THE VILLAGE OF WILLOWBROOK DETERMINING THE LOWEST RESPONSIBLE BIDDER, APPROVING AND AWARDDING A CONTRACT TO LANDWORKS, LTD. AND AUTHORIZING THE MAYOR TO EXECUTE A CONTRACT, ON BEHALF OF THE VILLAGE, WITH LANDWORKS, LTD. FOR THE CREEKSID PARK PROJECT AND THE FARMINGDALE TERRACE PARK PROJECT (ADOPT)

Director Kleefisch advised the Board that several Capital Improvement Project Open House meetings were held in October of last year for the proposed projects at Creekside Park and Farmingdale Terrace Park. The Board provided positive direction to staff on the options and upgrades below for Farmingdale Terrace Park:

- Replacement of playground equipment.
- New concrete walking path along the side of the park.
- New parking stalls within the park.
- Soccer field will remain.
- Installation of planter beds maintained by the neighborhood.
- Installation of a Gazebo.
- Installation of a practice golf area

The second park included in this bid was Creekside Park, which also received positive feedback from the Board and the neighborhood. This project includes the following upgrades:

- Replacement of playground equipment.
- Replacement of three bridges.
- Concrete walking path.
- ADA path from the hill to the playground.
- Installation of a pavilion.
- Installation of a Gaga Ball Pit.

The bid proposal received for the park projects was \$1,739,689.00. The proposed budget for these projects is \$2,225,000. The Village will still have to purchase equipment and park furnishings for both parks that will be presented to the Board in the near future. Staff expect the total amount for that phase of the project to be \$400,000, leaving \$85,311 savings.

MOTION: Made by Trustee Berglund and seconded by Trustee Mistele to adopt Resolution No. 24-R-24 as presented.

ROLL CALL VOTE: AYES: Trustees Astrella, Berglund, Davi, Mistele and Neal and Ruffolo. NAYS: None. ABSENT: None.

MOTION DECLARED CARRIED

15. REDEVELOPMENT AGREEMENT - WILLOWBROOK TOWN CENTER

a. ORDINANCE NO. 24-O-11 - AN ORDINANCE APPROVING THE FIRST AMENDMENT TO REDEVELOPMENT AGREEMENT (Marshalls and Sketchers) (PASS)

In 2018, the Village agreed to a Redevelopment Agreement with the Willowbrook Town Center (Town Center) to reimburse Town Center for costs associated with subdividing one large retail unit into two in order to attract new tenants. With the significant amount of work required, and the businesses' location within the Business District, the Village agreed to reimburse the Town Center from the Business District taxes generated by potential tenants.

Eventually, two businesses filled the new units, Marshalls and Skechers. The cost to the Town Center to improve the space was \$2.4 million, verified by Village staff at the time, prior to approval from the Board. As part of the redevelopment agreement, the Village agreed to reimburse the Town Center on an annual basis from the Business District revenues generated from the two new entities up to \$2 million over 20 years.

In the amendment to the original agreement, the Village will make an additional contribution of \$500,000. In return, the Town Center has agreed to not permit more than 25% of the overall space to be leased out to discount retailers. Currently, 17% of the Town Center space is leased out to discount retailers. Again, any payments from this agreement will be paid from the Business District Fund. The Town Center has continued to improve financially and provides a tremendous economic impact to the Village.

As the Board is aware, in 2023, Bed, Bath and Beyond closed their store and filed bankruptcy nationwide. Since that time, staff, Mayor Trilla, and development consultants have met with the Town Center to improve the space and seek a replacement for Bed, Bath and Beyond. To redevelop the vacant unit, the Town Center is seeking reimbursement from the Business District for the new tenant buildout. The new tenant for the former Bed, Bath and Beyond space is Binny's. In the new agreement, the Village will reimburse the Town Center from the Business District Fund up to \$1 million over 8 years.

For clarification purposes, this redevelopment agreement does not include any expenses coming from the General Fund. The Business District was created and approved by the Board in 2016. The 1% tax that is generated from the Business District can only be used within the District's boundaries which includes the Town Center and Pete's Fresh Market Development. The Business District is separate from a TIF district and is unrelated to property tax collection.

MOTION: Made by Trustee Berglund and seconded by Trustee Davi to pass Ordinance 24-O-11 as presented.

ROLL CALL VOTE: AYES: Trustees Astrella, Berglund, Davi, Mistele, Neal, and Ruffolo. NAYS: None. ABSENT: None.

## Proclamation

**WHEREAS**, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and

**WHEREAS**, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska; and

**WHEREAS**, trees are a renewable resource providing us countless critical products; and

**WHEREAS**, trees in our Village increase property values, enhance the economic vitality of business areas, and beautify our community; and

**WHEREAS**, trees, wherever they are planted, are a source of joy and spiritual renewal; and

**WHEREAS**, the Village of Willowbrook has been recognized as a Tree City USA by the National Arbor Day Foundation and desires to continue its tree-planting practices.

**NOW, THEREFORE, BE IT RESOLVED** by the Mayor and Board of Trustees of the Village of Willowbrook, DuPage County, Illinois that we hereby recognize April 26, 2024 to be “ARBOR DAY” in the Village of Willowbrook, and urge all citizens to support all efforts to protect our trees and natural woodlands and to support our Village’s forestry program; and further, to plant trees to enhance our environment and preserve the well-being of our present and future generations.

## BOARD OF TRUSTEES MEETING

**AGENDA ITEM NO: 8.**

**DATE:** April 22, 2024

**SUBJECT:**

A RESOLUTION WAIVING COMPETITIVE BIDDING, APPROVING AND AUTHORIZING THE PURCHASE OF PARK FURNISHINGS AND FIXTURES FROM BELSON OUTDOORS, LLC FOR THE CREEKSIDE PARK PROJECT AND FARMINGDALE TERRACE PARK PROJECT AT A TOTAL COST NOT TO EXCEED \$23,050.09

### STAFF REPORT

**TO:** Mayor Trilla and Board of Trustees

**FROM:** Dustin Kleefisch, Director of Parks and Recreation

**THROUGH:** Sean Halloran, Village Administrator

### PURPOSE AND ACTION REQUESTED

To pass a resolution to approve the purchase of park furnishings from Belson Outdoors for the Creekside Park Project and Farmingdale Terrace Park project not to exceed the amount of \$23,050.09.

### BACKGROUND/SUMMARY

During the planning of the Creekside and Farmingdale Terrace Park projects, materials and services needed for the park improvement were itemized to help reduce the cost of the project. With the new park standard equipment that has been purchased for Midway Park, Ridgemoor Park, and Borse Memorial Community Park the desire was to create uniformity in park furnishings. By purchasing specific park furnishings that fit the standard of the park to be purchased by the owner presented significant savings on the project and ensure uniformity with same products being purchased. This will be the second purchase for park project equipment that will fit this new standard.

Belson Outdoors manufactures a wide variety of outdoor park equipment, ranging from tables, benches, drinking fountains, message boards, and more. Located in Naperville, Illinois, Belson Outdoors has become a trusted and reliable manufacturer of recycled plastic park benches, picnic tables, and trash receptacles that are aesthetically desirable, environmentally friendly, maintenance free, and provide extended life spans compared to similar steel products. These recycled plastic products have a general life span of twenty years, which is twice as long as any steel product.

At Creekside Park there will be four (4) park benches, three (3) six-foot picnic tables, one (1) six-foot ADA picnic table, and one (1) double 32-gallon trash receptacles at a total of \$9,661.45. At Farmingdale Terrace Park, there will be six (6) park benches, two (2) six-foot picnic tables, one (1) six-foot ADA picnic table, and three (3) double 32-gallon trash receptacles at a total cost of \$13,388.64. The combined total for both parks is \$23,050.09. By making this purchase in a single order there will be savings on shipping. These items were identified and specified in the park development plans and now that the park project has progressed staff are prepared to install these components.

**FINANCIAL IMPACT**

The proposed cost for the purchase of the park furnishings for the Creekside and Farmingdale Terrace Park Project from Belson Outdoors for the amount of \$23,050.09 if approved.

**RECOMMENDED ACTION:**

Staff's recommendation is to approve the purchase of the park furnishings for Creekside and Farmingdale Terrace Park from Belson Outdoors not to exceed the amount of \$23,050.09.
