6. ITEMS FOR DISCUSSION:

a. VILLAGE PHONE & INTERNET PROVIDER UPDATE

Assistant Administrator Arteaga noted that although not an item requiring Board approval, staff wanted to update the Board regarding their diligence and effectiveness in locating and negotiating significant cost savings on the cost of Village utilities.

Last fall, Administrator Halloran gave staff a directive to research changing providers for both internet and phone service for the Village offices. This initiative was prompted by continuing service issues, particularly with the phone system, aging equipment and infrastructure of the systems, and continuing cost increases in the fiber internet service.

Based on the Village's purchasing policy, three providers were contacted for quotes. Although the annual savings with the new phone system provider, Vonage, is minimal, the contract will include providing 55 new phones compatible with the new system, a cost saving of over \$6000 over standard phone costs, and no additional costs for service calls if needed.

The new fiber internet provider, AT&T, represents considerable annual costs savings. The Village has entered an initial 3-year agreement with additional annual renewal options as needed. The provider has already completed necessary installations and notifications required for the internet service transition beginning May 1, 2025.

b. POLICE DEPARTMENT QUARTERLY CRIME UPDATE - Q4 2024 AND THE 2024 YEAR-END REPORT

Chief Kaspar began her presentation with an update for the 2024 fourth quarter statistics. Topics covered included:

- a. Total Dispatched Calls for the fourth quarter of calendar years 2020 through 2024
- b. Traffic Enforcement Summary for the fourth quarter of calendar years 2020 through 2024
- c. Traffic Accident Summary for the fourth quarter of calendar years 2020 through 2024
- d. Offense Trends from January 2024 through December 2024
- e. A heat map overview for all calls requiring written reports during the fourth quarter of 2024

Highlights of the 2024 Annual report include departmental milestones with a focus on the officers and personnel of the department. The highlights for the calendar year 2024 included:

- The hiring of three new officers
- The retirement of Sergeant Biggs
- The promotion of Officer Volent to sergeant
- Dispatched Calls summary
- Indexed Crime summary
- Traffic Accident summary
- Traffic Enforcement summary

Chief Kaspar noted that although the graph for the Indexed Crime summary appears to show a significant increase, this is largely due to the new reporting standards. Previously when multiple offenses were charged, only the most severe crime was counted. Now, all offenses are counted separately even when only charged in one arrest.

Also included in the annual report summary were highlights from department training including scenario-based training, and community activities including the police participation in the Light Up The Night festivities. Officers also participated in the Indian Prairie Public Library "Pages with the Police" program, Cop on a Roof with Dunkin' to support Illinois Special Olympics, and Shop with a Cop benefitting local children at Christmas.

Overall, 2024 was an eventful year, with a huge trend in community activities and community outreach. The department will continue to work to support these activities in addition to trends and new initiatives in crime prevention measures.

As Chief Kaspar opened the floor to questions, Mayor Trilla asked for more information on the picture shown of the officer working at the Real Crime Center (RTC) and the types of displays being shown. Chief Kaspar gave an overview of the various sources of the information and the benefits of using them in real-time. The Mayor also asked how many officers have been trained in the use of the tools in the RTC. Chief Kaspar indicated that only a handful were trained at this point and noted that Officer Rupcich is one of the most proficient in its use. She also noted that even if an officer does not have access to the RTC, the information from some of the systems is available to officers from the computers in the station or in the squad cars.

Trustee Neal thanked Chief Kaspar for her detailed report and asked for clarification on the reporting method where a crime is being reported in multiple categories. The Chief indicated that the data is based on the codes for the type of offense being entered by the officers at the

time they file their report. Per Trustee Neal's example of a retail theft being made in a stolen vehicle, if the officer reported both, then it would statistically count as two offenses. These numbers do not include any follow up charges that might be brought following further investigation. Mayor Trilla asked if all departments in DuPage County followed the same method. Chief Kaspar noted that this is a national database and is procedure for the entire country.

c. A DISCUSSION ON ADOPTING A MEMORANDUM OF UNDERSTANDING WITH NATIONAL ALLIANCE ON MENTAL ILLNESS (NAMI) DUPAGE TO PROMOTE "P.D. CONNECT" ("PDC")

Chief Kaspar explained that this is a new memorandum of understanding with NAMI to promote their new program P.D. Connect (PDC). Willowbrook Police Department has worked with NAMI for many years as a referral source for families experiencing mental illness or with a need for mental illness resources, such as support groups, educational resources, youth groups, and social services. NAMI also provides resources to law enforcement through the Crisis Intervention Team (CIT) Program / training and the 988 Crisis Response Lifeline

NAMI was founded by a group of parents in 1985 as an affiliate of the National Alliance on Mental Illness to provide better resources for families facing mental health diagnoses.

The P.D. Connect service is an expansion of these services with a direct referral program and includes follow up steps by both NAMI and the police department, a more formal partnership between police and NAMI. The MOU is required to establish this formal partnership.

The Mayor asked if the Chief had considered promoting the 988 Crisis Response Lifeline by adding it to the department's vehicles. Chief Kaspar indicated that NAMI had provided staff with bumper stickers and their use is being considered.

d. A DISCUSSION TO ADOPT A MEMORANDUM OF UNDERSTANDING WITH THE WASHINGTON/BALTIMORE HIGH INTENSITY DRUG TRAFFICKING AREA (W/B HIDTA) FOR ACCESS TO THE OVERDOSE DETECTION MAPPING APPLICATION PROGRAM (ODMAP) SYSTEM.

Deputy Chief Wodka described the ODMAP system for near real-time reporting and surveillance of suspected fatal and non-fatal overdose events. The data helps agencies identify spikes and clusters of suspected overdose events in their community, neighboring communities, and across the country. ODMAP is only available to government (federal,

state, or local) agencies serving the interests of public safety and public health.

Although fatal drug overdoses in DuPage County have dropped by 24% from 2022 to 2023, the downward trend is not guaranteed. The use of ODMAP by the Willowbrook Police Department is an additional resource that could help mobilize responses quicker should spikes or clusters of overdoses occur in the future.

ODMAP is currently used by 13 police and fire departments in DuPage, as well as the DuPage County Health Department. It is also used throughout Cook County and by the Chicago Police Department.

Trustee Davi asked for further clarification on the data collected and the timing of receipt of the information. Deputy Chief Wodka clarified that it is not a prevention tool, but rather a way to monitor trends in drug overdose incidents and locations of those incidents. He also noted that the information includes the types of drugs being used to further enhance any trends in usage.

e. UPDATE ON PHASE III OF THE BORSE MEMORIAL COMMUNITY PARK REDEVELOPMENT PROJECT

The Mayor asked Village Engineer Galey to provide the update. Mr. Galey stated that the project is now in the design process for Phase III. The designers are aware that the goal is to complete the project by the end of Fall 2025. With this in mind, they are working as quickly as possible to get through the design stage to order materials to ensure timely delivery and to begin construction.

He highlighted changes from the original design plans:

- o Veterans memorial to be located on the north end of the park, includes a flagpole in the center of the memorial
- o Maintenance garage to be added in a wooded area screened by additional landscaping
- o Basketball courts - east court to be removed, west court to be resurfaced. Located adjacent to the pickleball court.
- o Original plan for second restroom facility scrapped due unstable ground conditions. Will now be combined with the existing facilities near the basketball court.

Administrator Halloran noted that there will be a lighted American flag in the center of the memorial as noted by the Board. Additionally, part

of Phase III will be the reconstruction of the bridge based on the aesthetic recommendations of the Board.

Mr. Galey continued:

- o There will be a new gateway arch on the new spine path
- o Softball fields will be reconstructed. The northwest field will be the championship field. Renovated field will include an outfield scoreboard, fence, and warning track.
- o Benches will be changed to dugouts. Visitor seating area will include sunshade to protect from the sun.
- o To the south, there will be a playground with splash pad, including shade structures
- o Construction of new concession stand, restroom facility, and storage
- o Pollinator garden with walkway

COMMITTEE OF THE WHOLE

AGENDA ITEM NO: 6.a.

DATE: April 14, 2025

SUBJECT:

Proposed ordinance establishing a Temporary Use Permit (TUP) process to regulate outdoor restaurant dining and seating

STAFF REPORT

TO: Mayor Trilla and Board of Trustees
FROM: Michael Krol, Director of Community Development
Sean Halloran, Village Administrator
THROUGH: Sean Halloran, Village Administrator

PURPOSE

The purpose of this memo is to present a proposed ordinance establishing a Temporary Use Permit (TUP) process to regulate outdoor restaurant dining and seating within the Village. This new ordinance has been developed in direct response to increased interest from local businesses in offering outdoor dining options and will require Village Board approval.

BACKGROUND/SUMMARY

A couple of local restaurants have expressed a desire to expand or initiate outdoor dining to enhance customer experience, especially during warmer months. While the Village has allowed outdoor dining through past administrative accommodations, no formal ordinance or consistent permitting process has been established until now. The proposed ordinance is intended to provide clear standards and a structured review process while supporting the economic vitality of local restaurants.

The ordinance creates a Temporary Use Permit (TUP) program for restaurants seeking to operate outdoor dining areas, whether on private property or public rights of way. Key components include:

- Requires a Temporary Use Permit (TUP) for all outdoor dining operations utilizing temporary structures
- Initial permit applications must be approved by the Village Board; identical renewals may be approved administratively
- Annual permit valid from April 1 to November 1 with a \$1,000 fee
- Requires compliance with zoning, health, fire, and ADA standards
- Mandates landlord or property owner approval for private property use
- Includes detailed requirements for site plans, safety barriers, lighting, hours of operation, sanitation, and sound control

- Outdoor dining may not occur before 7:00 a.m. or after 11:00 p.m. unless otherwise approved
- Alcohol may only be served outdoors between 11:00 a.m. and 11:00 p.m., and only with proper fencing, supervision, and licensing
- Public sidewalk dining must maintain pedestrian clearance and may be terminated with 30 days' notice by the Village
- All permit holders must provide indemnification agreements and proof of insurance naming the Village as an additional insured
- The Village Administrator or designee retains authority to suspend or revoke permits as necessary

FINANCIAL IMPACT

There is no financial impact to the Village beyond the administrative cost to review applications, which is offset by the \$1,000 permit fee.

RECOMMENDED ACTION:

Staff is seeking direction on the proposed ordinance.

ORDINANCE NO. 25-0-__

AN ORDINANCE AMENDING TITLE 3 ENTITLED “BUSINESS REGULATIONS” OF THE VILLAGE CODE OF THE VILLAGE OF WILLOWBROOK BY THE ADOPTION OF CHAPTER 23 PERMITTING TEMPORARY OUTDOOR RESTAURANT DINING

WHEREAS, the Village of Willowbrook (“Village”) is a home rule unit of local government under the laws and Constitution of the State of Illinois; and

WHEREAS, the Village has the authority to adopt ordinances and to promulgate rules and regulations that pertain to its government and affairs and that protect the public health, safety and welfare of its citizens; and

WHEREAS, the Village has determined that passage of this Ordinance permitting and regulating outdoor dining for restaurant establishments within the Village is in the best interests of the Village and the public; and

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Willowbrook, DuPage County, as follows:

SECTION ONE: The facts and statements contained in the preamble to this ordinance are found to be true and correct and hereby adopted as part of this ordinance.

SECTION TWO: Title 3 entitled “Business Regulations” of the Village Code of the Village of Willowbrook, as amended, is hereby further amended by adding Chapter 23 entitled “Temporary Outdoor Restaurant Dining” to read as follows:

“CHAPTER 23 – TEMPORARY OUTDOOR RESTAURANT DINING

3-23-1: TEMPORARY OUTDOOR DINING PERMITTED; PERMIT REQUIRED;

Temporary outdoor dining is permitted subject to the following conditions:

- (A) A temporary use permit (TUP) is required for all restaurants seeking to implement outdoor dining with permitted temporary structures.

(B) The applicant for a TUP is required to hold a valid DuPage County Health Department permit, any other required permits required by the Village, and to be in conformance with the Village zoning ordinance and all other requirements of the Village Code.

(C) All applications for a TUP shall be submitted to the Community Development Director on forms provided by the Village for review for compliance with the standards of this Chapter and other relevant sections of the Village Code.

1. The Village Board shall review the initial application for the TUP and approve or deny said application.
2. Subsequent applications for renewal of the TUP, which are identical to the initial TUP application, with no modifications, shall be reviewed administratively by the Community Development Director to ensure compliance with this chapter, and all other sections of the Village Code. Upon confirmation of compliance with all applicable code sections, the Village Community Development Director or his/her designee shall then issue the TUP.

(D) Applicant must obtain landlord/property owner approval, in writing on the application, for the space being requested to be used for outdoor dining.

(E) The TUP shall be valid from April 1 to November 1 and may be renewed each year, subject to review and approval of the Village renewal application by the Village, and payment of the annual TUP renewal fee.

(F) A TUP may be suspended or revoked by the Village Administrator or designee for violations of the permit requirements, any violations of other Village ordinances, or for any other reason.

(G) The annual fee for a TUP will be \$1,000.00

3-23-2:GENERAL REGULATIONS FOR TEMPORARY USE PERMITS (TUP):

The following general regulations shall apply to any applicant seeking a TUP for outdoor dining on private or public property:

(A) Applicant for a TUP shall be required to submit, as part of the application a plat of survey or site plan clearly showing the area to be used for outdoor dining/seating in relation to the existing restaurant, and how the proposed outdoor dining/seating would be used including the general layout of all tables, chairs, waste containers and all other items clearly marked and to scale. The plan shall include exit signage, fire extinguisher locations, and an incline ramp/ADA requirement. If the proposed seating area is in the

parking lot the plan/drawing shall provide the location, size, and material of vehicle impact barriers, and fire specifications for proposed tents.

- (B) The outdoor dining shall be incidental to the operation of the restaurant, appropriately located on the premises.
- (C) Landscaping or other form of screening a temporary outdoor dining area may be required by the Village in keeping with the site planning and standards of the Village Code.
- (D) Outdoor dining areas may be contained within a barrier designating the area, said barrier may be at least three (3) feet in height, and said barrier shall be provided by landscaping, planters, fencing, ropes, or other material providing equally safe conditions as may be approved by the Village Community Development Director.
- (E) Permittee shall comply with all applicable federal, state, and local health and sanitation laws and regulations. Operation of the outdoor dining seating will not be permitted if the Village determines that such operation will be detrimental to the health, safety, or welfare of persons residing or working in the vicinity.
- (F) Permittee is responsible for supplying and maintaining any equipment needed for their operations. The Village will not be responsible for any damage or theft of any permittee equipment.
- (G) No electrical appliances or conductors, open flame devices, spillable petroleum products, or other flammable liquids, other than candles or lanterns of a type approved by the building department, shall be placed or kept in the outdoor seating area.
- (H) No food or beverages may be stored, cooked, or otherwise prepared in the outdoor seating area.
- (I) No open keeping or storage of used dishes, utensils, or food scraps shall be permitted.
- (J) No smoking shall be allowed in the outdoor dining/seating area.
- (K) Operation of outdoor dining seating areas shall be permitted only at such times as the main place of business is open, and in no event before 7:00 a.m. or after 11:00 p.m. unless otherwise approved by the Village.
- (L) Any doors from the main business to the outdoor dining seating area shall be self-closing unless otherwise approved by the Village.
- (M) No new electrical installations shall be allowed to be installed by the permittee except for decorative lighting that plugs into an existing utility box or outlet.

- (N) Any music shall be non-amplified and played only between the hours of 12:00 p.m.- 9:00 p.m. These hours could be further limited based on the business's proximity to residential areas or other TUP conditions as determined by the Village.
- (O) Exterior lighting shall be inwardly directed with light sources not directly visible from adjacent properties so no direct lighting or glare is cast of premises.
- (P) The outdoor seating area shall be ADA complaint, and the permittee shall at all times comply with all applicable federal, state, and Village laws, ordinances, and regulations concerning accessibility and non-discrimination in the providing of services.
- (Q) Outdoor dining areas located on parking lots shall not reduce the minimum parking requirement.
- (R) Outdoor dining areas contained within a parking lot shall be surrounded by vehicle impact barriers as may be approved by the Village Community Development Director.
- (S) The outdoor seating area shall not occupy or interfere with any building entrances, exits, fire lane, fire exit, fire escape, drive aisles, driveways or other required ingress or egress.
- (T) All tables, chairs, and other equipment are to be removed and stored, other than outdoors on site by November 1, or any other time required by the Village.
- (U) Any outdoor seating area must be located on an impervious surface.
- (V) Outdoor seating area shall be included when figuring the restaurant's maximum occupancy to determine compliance with the state plumbing code public toilet facility requirements for those restaurants where outdoor seating is available for more than one hundred eighty (180) consecutive days.
- (W) Outdoor furnishing materials and finishes shall be durable, smooth, and easily cleanable and shall be kept in sound condition, clean, and good repair. All outdoor furnishings shall be designed to withstand a wind pressure of not less than thirty (30) pounds per square foot so that the furnishings will not be moved by the wind. The color and material of the furniture should be harmonious with the design of the principal structure. Tent specifications shall be submitted for review and subject to Tri-State Fire Protection approval.
- (X) Only existing canopies/tents or canopies/tents erected in accordance with this code, the zoning ordinance, and the Village architectural standards shall be allowed.
- (Y) The permittee shall ensure that the property is maintained free of trash and debris.

(Z) Any signage shall be in accordance with the Village Zoning Ordinance and Village Code.

(AA) No permanent improvements may be installed unless pre-approved by the Village. If applicable, building permits will be required.

(BB) The Village Administrator or designee may impose additional reasonable restrictions that ensure the health, safety and welfare of persons residing or working in the vicinity.

3-23-3: TEMPORARY OUTDOOR DINING ON PUBLIC PROPERTY/SIDEWALK; ADDITIONAL REQUIREMENTS:

(A) Temporary use permits (TUPs) for outdoor dining for the use of public sidewalk or other public property shall not constitute personal property, and the Village shall retain at all times, the right to terminate any license for use of public property, or may completely eliminate these TUPs, upon thirty (30) days' written notice to the permittee. Should the Village terminate the TUP other than for reason of a violation of the requirements of this section, the Village shall refund the permittee the pro-rated portion of the annual fee paid by the permittee.

(B) Accessible restrooms shall be within 300 feet of the outdoor dining area per Illinois Plumbing Code.

(C) The applicant is required to provide the Village, in a form acceptable to the Village, the following:

1. A hold harmless agreement which indemnifies, agrees to defend, and hold harmless the Village for any and all claims for liability or damage that may arise from the operation of the outdoor dining/seating area activity and;
2. A certificate of general liability insurance, workers compensation insurance, and, if applicable, dram shop insurance. The amount of required coverage shall be approved by the Village's insurance carrier, but in no event shall liability coverage be in an amount less than one million dollars (\$1,000,000.00) per occurrence and one million dollars (\$1,000,000.00) per person. The Village shall be named as an additional insured on the face of the certificate, and the insurer shall have no less than an "A" rating by the most recent AM Best Insurance Rating Guide. The certificate of insurance should include the property that will be used for the outdoor dining in the description of operations/locations.

(D) Seating may be located on public sidewalks, provided that any applicant requesting the use of public sidewalks shall maintain suitable pedestrian clearance, as determined by the

Village, so that pedestrians using the sidewalk are able to pass through the area without obstruction.

- (E) The operation of the outdoor restaurant seating area shall not obstruct access to any bus stop, crosswalk, mailbox, or curb cut, nor shall the outdoor dining obstruct necessary access to any fire hydrant, fire escape, or fire door, or obstruct the clear view of any traffic signal, regulatory sign, or street sign.
- (F) The permittee shall be responsible for the maintenance and upkeep of the public right-of-way used for the outdoor restaurant seating area and the replacement of damaged public property, including, but not limited to, brick pavers.
- (G) No furniture or furnishings may be attached by any means to the public sidewalk, street, or any other public property.
- (H) In cases where the outdoor dining is abutting a public curb or sidewalk, the required enclosure shall enclose three sides of the outdoor dining area (all sides but the side abutting the curb or sidewalk).
- (I) In cases where the outdoor dining is taking place on a public sidewalk, the above enclosure requirement will not apply.

3-23-4: TEMPORARY OUTDOOR DINING; SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES:

- (A) Permittee wishing to sell alcoholic beverages outside shall possess a valid Village liquor license for consumption on their premises. Establishments are required to submit evidence of the issuance of a general liability insurance policy and dram shop insurance policy, in an amount acceptable to the Village. The minimum coverage shall be at least one million dollars (\$1,000,000.00) per occurrence and one million dollars (\$1,000,000.00) per person for both general liability coverage and dram shop coverage.
- (B) Liquor may be sold only when "meals," as defined in the liquor code, are available. At any time alcohol is available, customers shall have the ability to order a meal.
- (C) In no case shall liquor be sold or consumed in the outdoor area before 11:00 a.m. or later than 11:00 p.m. on any day.
- (D) The outdoor dining area shall be supervised by an employee of the business aged twenty-one (21) years or older.
- (E) No alcoholic beverages may be removed from the outdoor seating area, except to the interior of the business."

SECTION THREE: Any ordinances, or parts of ordinances, in conflict with this Ordinance, are hereby expressly repealed to the extent of said conflict.

SECTION FOUR: If any section, paragraph, or provision of this Ordinance, or the application hereof, is held unconstitutional or otherwise invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect other provisions of this Ordinance or any other Village ordinance, resolution, or provision of the Village Code of Village of Willowbrook that can be given effect without the unconstitutional or invalid section, paragraph, or provision. Any unconstitutional or invalid section, paragraph, or provision, or application hereof, is severable.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SECTION FIVE. Effective Date. That this Ordinance shall be in full force and effect ten (10) days from and after its passage and approval and publication as required by law.

PASSED and APPROVED this 14th day of April, 2025.
