9. ORDINANCE NO. 25-O-08 - AN ORDINANCE MAKING A COMPREHENSIVE AMENDMENT TO THE OFFICIAL COMPREHENSIVE PLAN OF THE VILLAGE OF WILLOWBROOK, DUPAGE COUNTY, ILLINOIS (ADOPT)

Director Krol reviewed the history of the Village's Comprehensive Plan. The original Willowbrook comprehensive plan was adopted in 1966 with amendments made in 1979, 1985, 1990, and 1993. In 2017, the 1993 plan was just reformatted and digitized, but there were no updates made. This is the first new Comprehensive Plan since the original created soon after Willowbrook was incorporated.

The complex process was facilitated by staff from Houseal Lavigne, arranging three meetings of the Comprehensive Plan Committee, jointly made up of the Plan Commission, Board members and Village staff. A community workshop was also held to survey local business opinion. Staff from Houseal Lavigne and Village staff also participated in local public events seeking residents' thoughts and input on the future of Willowbrook.

A Public Hearing was held on April 2, 2025, whereat the Plan Commission voted unanimously to recommend approval to the Board. Director Krol then turned the meeting over to Jackie Berg from Houseal Lavigne for further information on the Comprehensive Plan.

Ms. Berg identified the importance of the Plan to have a document that spells out the Village's vision for its future, where it foresees new development happening and where it doesn't foresee a lot of change happening in the village. This is the final phase of the project, adoption of the plan. She also provided a brief overview of the contents of the Comprehensive Plan.

Community Vision

The vision and goals section of the plan is meant as a guide as new development and new proposals are brought to the Village for consideration. Based on input received, the goals here are centered on land use and development, transportation and mobility, community facilities and then parks, open space and natural resources.

Land Use and Development

The Land Use Plan identifies desired future land uses for all areas of the Village, including single family detached homes, single-family attached homes, multifamily, mixed-use, commercial, industrial, public/semi-public, parks and open space and utilities/transportation. The Land Use Plan also seeks to enhance and expand the community's established commercial and employment areas while preserving the character and quality of Willowbrook's neighborhoods.

Subarea Plans

The Comprehensive Plan identifies two distinct subareas within the community that warrant more detailed planning. These areas include the Interchange Subarea and the Town Center Subarea. These two subareas were identified because they are the areas of the Village most likely to evolve over the next 20 years.

Transportation and Mobility

A balanced, efficient, and well-connected transportation system is an essential aspect of every community and determines the ease and comfort with which residents can access homes, businesses, jobs, schools, recreation, and essential services. The transportation system in Willowbrook consists of a network of roadways, regional public transit services, pedestrian facilities, and an expanding bicycle network.

Moving forward, the Village will emphasize an inclusive vision of transportation that meets the needs of all users regardless of age, ability, background, or preferred mode of travel, including motorists, transit riders, pedestrians, wheelchair users, bicyclists, and others.

Community Facilities & Public Infrastructure

Community facilities play a large role in the quality of a place and the livability of a community. Investments in community facilities and infrastructure should go beyond pure function, with the goal to improve sense of place and community identity. These are predominantly provided by the Village but are supplemented by public or semi-public partner organizations and other service providers within the community. The quality of community facilities is a key strength of the Village. As Willowbrook continues to grow and its demographics change, the Village should continue to modernize and reinvest in local government facilities and services to match the evolving needs of the community and ensure a high quality of life for local residents.

Parks and Open Spaces

Willowbrook has a variety of parks that enrich the lives of residents and welcome visitors. The Village is responsible for maintaining most green spaces in the community. The Parks and Recreation Department of

the Village currently manages and oversees more than 54 acres of parkland distributed across 10 locations within the Village.

The 2023 Parks and Recreation Master Plan identifies the park projects and renovations that are needed or have been completed throughout the Village. The Comprehensive Plan includes summaries of the current park conditions and the potential for development.

Implementation

The Willowbrook Comprehensive Plan is a foundation for future decision-making related to land use, development, and community improvement. The plan is intended to direct action within Willowbrook that supports the community's established vision and core community principles. Implementation will be important to this effort, ensuring that the goals and recommendations of the Comprehensive Plan foster positive momentum within the community.

Comprehensive Plan implementation will require the cooperation of a diverse range of organizations and stakeholders, including Village staff, elected and appointed officials, public agencies, the local business community, property owners, developers, and residents. Together, these groups will assist the Village in realizing its vision for the future.

Ms. Berg thanked the Board for their time and effort on the project and opened the floor for questions.

Mayor Trilla offered his compliments to Ms. Berg and the staff at Houseal Lavigne. It was a long, complicated process with the first update in 60 years. He also noted he is proud of this Board of Trustees for undertaking a project of this scope.

Ms. Berg added that she's enjoyed working with Willowbrook and offered her compliments to the Board for their clear vision of the community throughout the process.

MOTION: Made by Trustee Mistele and seconded by Trustee Berglund to pass Ordinance 25-0-08 as presented.

ROLL CALL VOTE: AYES: Trustees Astrella, Berglund, Davi, Mistele, Neal, and Ruffolo. NAYS: None. ABSENT: None.

10. TRUSTEE REPORTS

Trustee Neal indicated she had an item which might ultimately affect the Comprehensive Plan regarding the Plainfield Road area, in regard to the Burr Ridge planned C & H Development. We expect the Board and Plan

Commission to address the Willowbrook residents' concerns. Their Plan Commission meeting has been postponed several times and is next scheduled for June 17th. Trustee Neal intends on attending.

Trustee Neal also wanted to commend members of the Willowbrook and Darien board of trustees who worked to establish an intergovernmental agreement to install the traffic light at 67th Street and Clarendon Hills Road. The local Patch newspaper of April 9th reported that the traffic light has already made a difference. The light was installed in late 2023. In the previous five years, 35 crashes had been reported, but in 2024 the number of crashes was zero. That type of turnaround improvement is seldom seen.

Mayor Trilla added that although the highway department indicated that the intersection didn't warrant a signal, the Board was convinced it was necessary; the statistics support the decision.

Trustee Ruffolo had no report.

Trustee Mistele had no report.

Trustee Berglund had no report.

Trustee Davi had no report.

Trustee Astrella had no report.

11. ATTORNEY'S REPORT

Attorney Durkin had no report but reminded the Board that there is an executive session this evening.

12. CLERK'S REPORT

Clerk Boerwinkle was not present.

13. ADMINISTRATOR'S REPORT

Administrator Halloran wanted to congratulate Assistant Administrator Arteaga who worked diligently to attain Tree City U.S.A. status for Willowbrook and has gain for the second year. A great deal of work goes into the application and award process. Mr. Arteaga was interviewed by Tree City which is posted online. The Administrator noted that he did a great job representing the village.

Administrator Halloran reminded the Trustees regarding the upcoming Easter Egg Hunt on Saturday, April 19th, at 10 a.m. at Borse Park.

14. MAYOR'S REPORT

Mayor Trilla expressed his excitement at receiving the Triple Crown Award for only the second time. He applauds CFO Flori and her staff. The awards mean a lot to the Village as the Board tries to be good fiscal stewards.

Regarding Trustee Neal's reference to Plainfield Road, at the DuPage Mayors and Managers Committee breakfast, the Mayor was seated next to Willowbrook's DuPage County Board representative, Lucy Chang Evan, where he was able to discuss the Willowbrook Comprehensive Plan the plans for Plainfield Road. He broached the idea of involving the County before specific planning begins to avoid any duplication of efforts and to provide them with the overall plan and coordinate any planned improvements.

15. EXECUTIVE SESSION

5 ILCS 120/2(c)(1) - The Appointment, Employment, Compensation, Discipline, Performance or Dismissal of Specific Employees.

BOARD OF TRUSTEES MEETING

AGENDA ITEM NO: 6.d.

DATE: April 28, 2025

SUBJECT:

A RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF AN MEMORANDUM OF UNDERSTANDING BETWEEN THE VILLAGE OF WILLOWBROOK AND NORTHEAST DUPAGE FAMILY AND YOUTH SERVICES

STAFF REPORT

TO: Mayor Trilla and Board of Trustees
FROM: Lauren Kaspar, Chief of Police
THROUGH: Sean Halloran, Village Administrator

PURPOSE AND ACTION REQUESTED

Approve and authorize the execution of a memorandum of understanding between the Village of Willowbrook and Northeast DuPage Family and Youth Services for social work services.

BACKGROUND/SUMMARY

Every year police agencies receive numerous calls for service which would greatly benefit from a social services follow-up. The types of calls that would best benefit from a social services referral include but are not limited to domestic violence, behavioral health, mental health, juvenile issues, homelessness, abuse, elder services, and social service emergencies. In 2024, the Willowbrook Police Department handled 229 mental health and domestic related calls for service alone. Although there are several not-for-profit organizations which provide resources to law enforcement agencies, very few of them are 24/7 and none spend time on site. To combat this issue and an increase in this type of call volume, police agencies across the country are bringing social service programs in house.

This past fall, staff was presented with a unique opportunity to partner with three of our collar agencies, Burr Ridge, Hinsdale, and Darien Police Departments, and explore the option of a shared services social worker. After meeting with the other agencies, an introduction was made to representatives of Northeast DuPage Family & Youth Services (NEDFYS). Currently, NEDFYS social workers and counselors have private offices located in seven partner police departments including Woodridge, Glendale Heights, Addison, Bartlett, Bensenville, Bloomingdale, Itasca, and Villa Park.

NEDFYS provides the following services to their partner police departments:

- Domestic Violence Follow-up: Immediate and ongoing assistance to victims and children in the home.
- 24/7 On-Call Crisis Intervention: Assistance with youth and adult mental health emergencies, domestic violence incidents, family conflict, juvenile cases, traumatic incidents and deaths, violent crime victims, substance use/overdoses, services for physically, mentally, and developmentally disabled individuals and senior citizens.

- Crisis Intervention Follow-up: Immediate and ongoing services to individuals and families that have experienced mental health or other types of crises.
- Counseling: Individual, family, and group sessions treating depression, anxiety, trauma, and more
- Case Management: Assessment of needs, care coordination with other providers, and referrals to community resources.
- Youth Crisis Intervention Services: NEDFYS provides 24/7 customized crisis intervention services to adolescents between the ages of 11 and 17 in DuPage County.

As part of NEDFYS's mission, their goal is to provide the above listed social work services to police departments to enhance service to the community and achieve the following goals:

- Increased access to community-based behavioral health care and domestic violence services
- Reduced need for emergency room transports and hospital police presence
- Expedited response time for mental health calls and facilitate a quicker return to patrol
- Decreased arrests and jail admissions
- Decreased repeat encounters with police improve community relations
- Improved officer, resident, visitor, and community safety

NEDFYS has two current police partners, Glendale Heights and Bloomingdale, that operate under a similar shared services model to the one that staff is proposing. Glendale Heights provided the statistics below to show how the partnership has positively affected their community over the last three years.

	Referrals to NEDFYS Police Social Workers	Crisis Intervention Incidents	Domestic Disturbance	Domestic Battery
2022	608	98	383	292
2023	758	103	404	287
2024	889	67	361	258

Summary:

Referrals up 46% from 2022; up 17% from 2023 to 2024

Crisis Intervention incidents down 34% from 2023 to 2024

Domestic disturbance incidents down 10% from 2023 to 2024

Domestic battery down 10% from 2023 to 2024

After meeting with the partner agencies and representatives of NEDFYS, staff feels that this opportunity would be a unique way to provide additional resources to the citizens of Willowbrook at a reduced cost for a one-year pilot program. The services to be provided to the Village of Willowbrook mirror those listed above and include ten social worker hours and four intern hours per week at a designated office space within the Willowbrook Police Department.

**FINANCIAL IMPACT**

The one-year Memorandum of Understanding with NEDFYS comes at a cost of \$22,500. It should be noted that NEDFYS has applied for a grant on behalf of the four partner agencies through the DuPage County Member Initiative Program which would cover half of the first year's cost.

RECOMMENDED ACTION:

Adopt the Resolution approving and authorizing the execution of a memorandum of understanding between the Village of Willowbrook and Northeast DuPage Family and Youth Services for social work services.

BOARD OF TRUSTEES MEETING

AGENDA ITEM NO: 6.e.

DATE: April 28, 2025

SUBJECT:

A RESOLUTION OF THE VILLAGE OF WILLOWBROOK APPROVING AND ADOPTING AMENDMENTS TO THE VILLAGE OF WILLOWBROOK EMPLOYEE HANDBOOK

STAFF REPORT

TO: Mayor Trilla and Board of Trustees
FROM: Alex Arteaga, Assistant Village Administrator
Sean Halloran, Village Administrator
THROUGH: Sean Halloran, Village Administrator

PREVIOUS ACTION TAKEN

The Village Board reviewed this item at the Committee of the Whole meeting on April 28th, 2025.

PURPOSE

This memorandum outlines recommended revisions to the Employee Handbook, following a comprehensive internal review and updates proposed by the Village Administrator's Office. The changes are intended to clarify expectations, reinforce operational standards, and improve policy alignment with current practices, particularly within the Public Works Department.

BACKGROUND/SUMMARY

As part of the Village Administrator's Office's 2025-2026 Strategic Goals, one of the key initiatives was to complete a comprehensive update of the Village of Willowbrook Employee Handbook. Following a thorough internal review, the revised policies reflect operational best practices, promote personnel clarity, and align the handbook with current labor standards and administrative needs. The most substantial updates focus on the Public Works Department's operational roles, expectations for availability, and enhancements to the health insurance opt-out program.

Summary of Proposed Changes:

1. Public Works First Responder Designation (New Section):

Establishes that Public Works employees are essential personnel, formally designating them as first responders available year-round for emergency call-outs, weather events, and infrastructure failures.

2. Public Works Standard Work Hours (Updated Section 5.1):

Outlines the standard schedule for Public Works employees (7:00 a.m. to 3:30 p.m.), including break and lunch guidelines and clarification that working through breaks does not authorize early departure unless approved.

3. Call-Out, Remote Response, and On-Call Pay (Updated Section 5.2):

Codifies that employees on-call receive a \$50 weekly stipend. Also outlines minimum compensation for after-hours responses: two hours for in-person and one hour for remote (e.g., SCADA system) responses. Affirms the Village's authority to engage contractors if internal staffing is insufficient to meet operational demands.

4. Clarification on Vacation Availability (Updated Section 5.3.8):

Clarifies that vacation leave only covers the specified day(s) requested. Employees must indicate whether they are "available" or "unavailable" for emergency call-out during vacation. The Village will honor declared unavailability but may contact those marked as available.

5. Public Works Seasonal Scheduling (Updated Section 5.3.8):

Provides restrictions during peak operations (e.g., snow season, leaf collection, construction). Limits on the number of employees off at one time may apply. Employees on call must clearly state their availability.

6. CDL Testing Policy Compliance (Updated Section 4.5.5):

Adds language to affirm compliance with FMCSA regulations requiring drug and alcohol testing for CDL holders, including random, post-accident, and reasonable suspicion testing.

7. Health Insurance Opt-Out Incentive Increase (Updated Section 7.1.3):

Increases the health insurance buyback for employees with proof of alternative qualifying group coverage from \$4,000 to \$7,000. The intent is to reduce overall insurance expenditures while offering a meaningful benefit to employees not utilizing Village coverage.

FINANCIAL IMPACT

The financial impact of this agreement is consistent with the Village's approved budget.

RECOMMENDED ACTION

Staff recommends approval of the resolution.

1. Public Works First Responder Designation

Section 5.1.5 – Public Works First Responder Designation

Public Works employees are designated as essential personnel and are considered first responders for operational and emergency response purposes. Employees are expected to be available for emergency callouts, severe weather events, and infrastructure failures 24 hours a day, 7 days a week, including weekends and holidays.

2. Public Works Standard Work Hours

Section 5.1.6 – Public Works Standard Hours

The typical work schedule for full-time Public Works employees is 7:00 a.m. to 3:30 p.m., Monday through Friday. During each shift, employees receive two 15-minute paid breaks and one 30-minute unpaid lunch. Breaks and lunch periods should be taken in a way that supports ongoing operations and service to the community. On occasion, employees may request to work through a break or lunch; however, this should be discussed in advance with a supervisor, and approval must be granted. Working through scheduled breaks does not automatically permit early departure unless specifically authorized.

3. Call-Out, Remote Response, and On-Call Pay

Section 5.2.3 – Public Works Call-Out, Remote Response, and On-Call Pay

Employees designated as on-call will receive a \$50 weekly stipend in recognition of their availability outside of normal working hours.

Employees called in outside of their regular schedule will receive a minimum of two (2) hours of pay at the applicable rate. Employees who respond remotely to work-related phone calls or SCADA system alerts will receive a minimum of one (1) hour of pay at the applicable rate.

Overtime opportunities will be distributed based on operational qualifications and seniority. Repeated refusals to respond to emergency call-outs may affect future eligibility for voluntary overtime.

If the Village is unable to meet operational needs with available staff, it reserves the right to utilize outside contractors to ensure essential services are maintained.

4. Clarification on Vacation Availability

Section 5.3.8.1 – Availability Status During Vacation Leave

Vacation time is granted in full-day or hourly increments based on the approved request (e.g., 8 hours for a full day). Vacation leave does not extend beyond the specific hours granted. For example, if vacation is taken on a Friday, only that Friday is covered — the weekend remains standard time off and is not considered part of the vacation.

Employees requesting vacation leave must indicate whether they are available or unavailable for call-in during that time:

- If you indicate you are **unavailable**, the Village will respect your status and you will not be called in.
- If you indicate you are **available**, you may be contacted and expected to report to work in the event of an emergency or operational need.

This designation allows the Village to maintain operational readiness while honoring employee time off.

5. Public Works Seasonal Scheduling

Included in Section 5.3.8.1

Vacation requests should be submitted with as much advance notice as possible. Employees are encouraged to notify their supervisor at least five (5) days in advance of the requested time off. Approval of leave is contingent upon staffing levels and operational needs.

During peak periods such as winter storms, summer construction, and seasonal leaf collection, the number of employees approved for leave may be limited to ensure adequate coverage. Employees may be required to declare their availability status during such periods, especially when designated as on-call.

6. CDL Testing Policy Compliance

Section 4.5.5 – Circumstances Requiring Drug and Alcohol Testing

Employees who hold a Commercial Driver's License (CDL) are subject to drug and alcohol testing under Federal Motor Carrier Safety Administration (FMCSA) regulations. Testing includes:

- Random testing
- Post-accident testing
- Reasonable suspicion testing
- Return-to-duty and follow-up testing

These requirements apply regardless of whether the employee is actively operating a commercial vehicle at the time. Compliance with these federal regulations is mandatory for continued employment in a CDL-required role.

7. Health Insurance Opt-Out Incentive Increase

Section 7.1.3 – Health Insurance Opt-Out Program

Eligible employees who provide proof of alternative qualifying group health coverage may elect to opt out of the Village's group health insurance plan. Employees who elect this option will receive a taxable opt-out incentive of \$7,000 per fiscal year, payable in accordance with the Village's regular payroll cycle.
