5. COMMUNICATIONS

Administrator Halik advised the Commission that the next Village Board meeting will be held on Monday, July 22, 2013 and there will be a discussion item reference police department staffing and structure. Chief Shelton will be addressing the Board pertaining to the current operations of the police department and the effects to the department. Chief Shelton's presentation

will conclude with a recommendation to the Board on how to proceed moving forward.

6. UNFINISHED BUSINESS

Chairman Schuler questioned if there was any new information on the promotional exam. Chief Shelton stated that he has spoken to Selection Works, who was used to conduct the patrol officer examination. The promotional exam is conducted in a similar fashion - a comprehensive written test, but that the exam also includes an oral interview before a panel of three, typically comprised of Police Chiefs from neighboring municipalities who will pose a set of verbal questions to each candidate individually. Selection Works will tailor the exam to the specifications that the Commission requires.

Chief Shelton stated that costs would be approximately \$5,000-\$6,000. Chief Shelton stated that once it is decided to run a promotional exam, it would take 4-8 weeks for the testing process to be completed. Chief Shelton stated that if the promotions are approved, he is looking at the end of October to promote.

Commissioner Landsman stated that during the presentation to the Board, he wants the Board to know that there is no more important function of the Village than public safety.

7. NEW BUSINESS

Chairman Schuler congratulated Secretary Landsman on his reappointment to the BOPC.

a. PATROL OFFICER UPDATE - DYLAN TRAINOR

Chief Shelton stated that Officer Trainor completed and graduated the academy on June 28, 2013. He began his field training program on June 29, 2013. Officer Trainor did very well at the academy.

Chief Shelton stated that Officer Trainor is doing well on the Field Training Officer (FTO) program. The Chief informed the Commissioners that Officer Trainor was on another department's

eligibility list, but that after he completed the academy, Officer Trainor contacted that other department and asked to be removed from their list.

Chairman Schuler stated that he and Executive Secretary Cindy Stuchl met with the representative from the Illinois Secretary of State Local Records Unit, Illinois State Archives and applied for an updated records destruction authority. During the meeting, Chairman Schuler and Executive Secretary Stuchl determined that Selection Works had provided the Village only copies of application records of the applicants that passed the testing process and qualified. Commissioner Schuler reported that following the meeting with the representative of the Secretary of State's office, Executive Secretary Stuchl contacted Selection Works and obtained copies of the applications of all candidates. The BOPC now has in its possession a DVD that has a record of all applications for retention and destruction as provided for by the newly updated certification.
