MINUTES OF THE REGULAR FINANCE AND ADMINISTRATION COMMITTEE MEETING OF THE VILLAGE OF WILLOWBROOK HELD ON MONDAY, NOVEMBER 11, 2013 AT 5:30 P.M. IN THE VILLAGE HALL, 7760 QUINCY STREET, WILLOWBROOK, ILLINOIS.

**1. CALL TO ORDER**

The meeting was called to order by Trustee Davi at 5:30 p.m.

**2. ROLL CALL**

Those present at roll call were Trustee Umberto Davi, Mayor Frank Trilla, Interim Director of Finance Carrie Dittman, Superintendent of Parks & Recreation Kristin Violante, and Management Analyst Garrett Hummel. Hank Rozycki from iCity Corporation was also present.

**3. APPROVAL OF MINUTES**

Minutes of the Regular Finance and Administration Committee held on Monday, October 14, 2013 were reviewed. Motion to approve made by Trustee Davi. Motion carried.

**4. DISCUSSION - Special Recreation Association (SRA) Tax Levy**

Director Dittman explained one of the components of the Parks & Recreation Department's budget is the Special Recreation Tax Levy. Over the last several years, the SRA tax has been levied as an alternative to taking expenses out of the General Fund. Currently, the tax impact for a homeowner with a market value of \$300,000 is approximately \$15.00 per year.

Superintendent Violante highlighted specific areas where the SRA funds will be used during the next year including the Village's membership fees to the Gateway Special Recreation Association and staff costs associated with that group, expenses in assisting recreation participants requiring ADA accommodations, and accessibility improvements to Village parks and playgrounds.

Director Dittman stated that at the November 25 Village Board meeting, staff anticipates making a recommendation to the Board to consider levying the Special Recreation Tax for FY 14-15 in the amount of \$71,135. At this amount, the tax impact for a home owner with a home market value of \$300,000 would be approximately \$17.00 per year. This is a 4.23% increase over the prior year's levy, which includes additional amounts planned for large park expansions. Director Dittman also noted that any SRA tax collected is restricted to special recreation uses. Trustee Davi agreed with staff's recommendation.

**5. PRESENTATION - iCity Corporation: Mobile App Proposal**

Hank Rozycki from iCity Corporation presented a mobile app geared toward municipal use. The application is intended to improve communications between citizens and visitors of a community as well as promote business within the community. The application can be downloaded onto an iPhone or Android operating system. An icon would appear on the phone screen allowing the user to access Willowbrook business information, community events, etc. Mr. Rozycki noted that 62% of individuals own and regularly use a smart phone device which means the Village application could potentially reach a large portion of the population and benefit the Village both as an improved form of communication and from an economic development perspective. So far, two (2) Illinois communities, River Forest and Bensenville, have signed contracts with iCity to provide this service.

Mr. Rozycki demonstrated the various functionalities of the application using apps that were designed for other communities. Trustee Davi

inquired as to costs. Mr. Rozycki responded that there is a one-time startup cost of \$499 and a \$3,000 annual fee for the app. Upon completion of the presentation, the committee was informed that if they support such an application the topic and associated costs would be considered as part of the fiscal year 2014/15 budget process. Trustee Davi thanked Mr. Rozycki for his presentation.

**BACKGROUND**

The current annual business license fee structure applied to both barbershops and hair salons includes a business license fee of \$55.00 per year per chair. A per-chair fee is used due to the typical practice, especially at hair salons, for each separate chair (or "station") within the location to be operated by a separate stylist under a rental scenario. This chair, or station, really represents a stand-alone business. This same "station" practice is also used within nail salon uses. However, our current business license fee ordinance treats nail salons differently from barbershops and hair salons, and only required a flat \$100 per year fee per location regardless how many nail salon "stations" are operated at that particular location. This item was recently brought to the mayor's attention upon speaking with several local businesses. These businesses felt that the Village's current fee structure is unfair, since hair salon and barbershop uses pay more for an annual Village business license, but nail salons are structured similarly.

**REQUEST FOR FEEDBACK**

At the mayor's request, staff further reviewed this matter and determined that a more equitable approach would be to set annual business license fees for barbershops, hair salons, and nail salons using the same methodology – that is, on a per chair ("station") basis for all three. There will be no change in the current annual fee amount (i.e., \$55.00 per chair), just that nail salons will be included along with barbershops and hair salons.

**STAFF RECOMMENDATION**

Staff would recommend that nail salon uses are charged an annual business license fee under the same method that barbershops and hair salons are charged. If the Committee concurs, a text amendment would need to be considered by the Village Board to change the ordinance. A draft copy of such an amendatory ordinance is attached for reference.
