Dear Residents,

As my first term as the Mayor of Willowbrook draws to a close, I can’t help but look back at all that was accomplished and what is in store for our Village moving forward. The Village was able to complete numerous projects throughout the 2016/17 fiscal year such as:

**Master Facilities Plan – Police Station Expansion & Renovation:** The second phase of the three phase Master Facilities Plan broke ground in November 2016. This phase involves the expansion and renovation of the old Village Hall building at 7760 Quincy Street. The building previously housed both the Village Hall and Police Department until the Village Hall functions were moved to 835 Midway Drive in February of 2015. Completion of this $3 million project is slated for August 2017 at which time the Willowbrook Police Department will again operate out of the 7760 Quincy Street building. The primary funding for this project is through ARS/GO Bonds (at 2.66% interest), along with over $150,000 in police seizure funds also being used toward the project.

**Roadway Projects - Resurfacing of Clarendon Hills Road:** In 2010, the Village received funding confirmation from the Federal STP Program. This funding must be used toward the Village’s Road Maintenance Program. The primary objective for this funding was the overlay of Clarendon Hills Road from 67th Street to the Village’s northern limits. This project came in at a cost of $655,050 of which 75%, or $491,290 was paid for through the Federal STP Grant.

**Roadway Projects - 67th Street & Clarendon Hills Road Intersection Improvement Project:** In an effort to improve traffic flow along Clarendon Hills Road, a left turn lane was added to 67th Street at Clarendon Hills Road. I am happy to report that $85,500 of this $108,820 project was funded through developer contributions.

**Economic Development - Pete’s Fresh Market Development (former K-Mart Store Site):** I am happy to report that the Pete’s Fresh Market Development received final approval on December 19, 2016. Construction is scheduled to continue in the Spring of 2017 with substantial completion by the end of 2017. Possible tenants include Pete’s Fresh Market, Ulta, Stein Mart, Lumes Restaurant, Firehouse Subs, and other retail tenants. As part of the project, significant traffic improvements will be made on both Kingery Highway and Plainfield Road. These improvements include lane additions as well as a new signalized entrance intersection on Plainfield Road.

**Parks and Recreation - Second Annual “Willowbrook Spring Fling” 5K Fun Run:** On Sunday, May 1, 2016, the Village of Willowbrook held its second annual 5K Fun Run. The event had over 152 registered runners, up from the previous year’s 74 runners. The event was a Chicago Area Runners Association certified run. The Village would like to thank its 42 sponsors who raised approximately $10,000 for the event. $5,000 was raised for charities and donated to the Children’s Organ Transplant Association (COTA) and the Gower PTO.

**Parks and Recreation - Lake Hinsdale Park Renovation:** Lake Hinsdale Park was identified in the Village’s Parks & Recreation Master Plan as being in need of renovations. As such the Village applied for several grants to help alleviate the cost burden on the Village. The Village received a $10,000 grant from the ComEd Green Region Program. Renovation work on this project began in November 2016 and was substantially completed before winter. When completed, the park will contain a walking path, playground equipment, and a shelter structure. I would like to thank both ComEd and Openlands for their generous support of the Village through the ComEd Green Region Program.

**Water System Improvements - Complete Re-Coating of the Village’s 3 Million Gallon Standpipe Water Tank:** This $931,460 project began in May 2016 and was completed in November 2016. The completion of this water tank project was the 2nd of three tanks that will be rehabilitated. The project was funded through a low-interest (1.86%) loan received from the Illinois EPA State Revolving Fund (SRF) Program. The Village Board felt that taking on debt for this project was preferred over raising water rates and funding the improvements through the Village’s Water Fund. The 3rd and final water tank located at 7760 Quincy Street will be rehabbed in 2017.

**Government Finance Officers Association Awards:** The Government Finance Officers Association (GFOA) offers awards to recognize excellence in financial budgeting and reporting. One such award offered by GFOA is the Distinguished Budget Presentation award. Established in 1984, the Budget award recognizes local governments who prepare budget documents of the highest quality based on guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA’s best practices on budgeting. The Village staff received notice in January that the Village would be receiving its 15th consecutive Budget award. (Continued)
The Village of Willowbrook also received its 28th consecutive GFOA Certificate of Achievement for Excellence in Financial Reporting award for its work on its Comprehensive Annual Financial Report (CAFR). This award recognizes communities that go beyond the minimum requirements of generally accepted accounting principles to prepare a report that evidences the spirit of transparency and full disclosure. Both the award winning CAFR and Budget documents are available on the Village website for viewing.

I hope the above information is welcome news and helps illustrate how hard Village elected officials, appointed officials, and staff are working to make Willowbrook a special community that we can all be proud of. While it is important to recognize the Village’s accomplishments and all we have achieved during this past year, it is equally as important to look forward to what needs to be done in the coming year. I would like to take a minute to briefly touch on a few of the projects the Village will be undertaking in 2017.

Completion of the Police Department Renovation: As was alluded to earlier, the Village’s old Village Hall is being renovated into a new Police Department as part of the 2nd Phase of our Master Facilities Plan. The Police Department personnel should be completely moved into the new Police Department by the Fall of 2017. Once this is finished, the Village Board and staff will begin considering designs for Phase 3 of our Master Facilities Plan. The 3rd and final Phase involves the renovation of the 825 Midway Drive building into a Community Resource Center (CRC) and Council Chambers. The realization of the Village’s Municipal Campus will be made a reality with the completion of Phase 3.

Kingery Highway & 63rd Street Streetlighting Project: This project is one that I am particularly proud of as it was one of my initial campaign priorities when I was elected in 2013. As many residents may have noticed, the intersection of Kingery Highway and 63rd Street is not lit by streetlights. For years, Village staff has unsuccessfully tried to obtain funding that would make this project a reality. Finally, after numerous tries, the Village was approved for a Federal STP Grant in the amount of $365,200. This will help to greatly offset the project cost of $588,400. With this funding, the Village will be able to install forty-six (46) new streetlights located along all four (4) legs of the intersection. When completed this fall, the streetlights will transform the area and greatly improve both vehicle and pedestrian safety.

Water System Improvements: Rehabilitation of the 500,000 gallon Village Hall Water Tank: The Village Hall Water Tank is the last of the three (3) Village owned water tanks to undergo renovation. The project went out to bid in January 2017. The lowest qualified bid of $505,700 came in $290,700 lower than the engineer’s estimated cost of $796,400. Work on this project will commence in late April or early May and will be completed by October 2017. With the completion of this final water tower, the Village’s water tanks should be adequately protected for 20+ years.

Willow Pond Park Renovation: As has been detailed in past newsletters, in April 2014 the Village was awarded an Open Space Lands Acquisition and Development (OSLAD) grant from the Illinois Department of Natural Resources (IDNR) in the amount of $400,000 for the complete renovation of Willow Pond Park. This park, located at the northeast corner of Plainfield Road and Adams Street, was the primary park identified by our Parks & Recreation Master Plan as being in need of an upgrade. The Village worked with its design consultant, Landtech Design, to complete a comprehensive renovation of the park including adding a new playground and pavilion shelters, a new splash pad feature, LED park lighting, pond enhancements to provide fish habitats and extensive landscape improvements. The project went out to bid in February 2015 and was slated for approval at the March 23, 2015 Village Board Meeting. Unfortunately, before the contract could be awarded, the Village received a Grant Suspension Notice from IDNR. The suspension was due to the State’s budget crisis. The project was then shelved until a time when the funding would be made available again. Fortunately, the Village received notice in August 2016 that the OSLAD Grant suspension had been lifted. Village staff contacted the lowest bidder to see if and when they could start the project back up again. As of right now, the planned start is May 2017 with a substantial completion by August 2017.

As you can see, 2017 will be another busy year for the Village of Willowbrook. I would like to take this opportunity to thank the residents of the Village of Willowbrook for electing me to serve as your Mayor. I can’t believe how quickly these four (4) years have passed and I look forward to serving our great community for another term. A special thank you goes out to my fellow elected officials Village Trustees Sue Berglund, Umberto Davi, Terrence Kelly, Michael Mistele, Gayle Neal, Paul Oggerino, and Village Clerk Leroy Hansen. The importance of your ability to work together as a cohesive unit and your support for a first term Mayor learning the ropes cannot be understated. Finally, as always, if you have any ideas or suggestions I would welcome the opportunity to speak with you about them. Please feel free to contact me directly at ftrilla@willowbrook.il.us.

Sincerely,

Frank A. Trilla

**Willowbrook Ponds**

The Willowbrook Park system has wonderful ponds at the Community, Ridgemoor, and Prairie Trail parks as well as at Willow Pond. Individuals are encouraged to take advantage of the fishing opportunities at these locations. Please remember these ponds are for catch and release only. There is a Veteran’s memorial bench.

**Geese Alert!**

Feeding geese and ducks has been a favorite pastime for some of our residents. Mother Nature never intended these animals to be given food by people. Please refrain from feeding waterfowl as it disturbs their natural diet. For further information please call the Village of Willowbrook at 630-323-8215.

**Help Make Our Parks More Beautiful**

The Village of Willowbrook is very pleased to offer a Celebration/Memorial Program that allows you to make a contribution for a new or existing tree or bench in one of Willowbrook’s parks in someone’s name or, if you wish, simply contribute to make our parks more beautiful. All funds from this program are used to manage the program and to add more trees to Willowbrook’s parks.

Trees and benches can be purchased as a gift to a friend, to celebrate the birth of a child, a marriage, or another momentous event in your family or to memorialize a loved one. This long-lasting gift serves as a perpetual reminder of those people and events that make our lives special.

For more information, go to www.willowbrookil.org click on Parks & Recreation, and then Celebration/Memorial Program.
The Village of Willowbrook and the Burr Ridge Park District enjoy an intergovernmental agreement to provide Willowbrook residents access to programs and services offered by the Burr Ridge Park District at rates charged to Burr Ridge Park District residents. This agreement will be in effect from September 1, 2015 until September 1, 2016, with an option to extend the agreement to September 1, 2017.

For your convenience, a brochure containing all of these programs and services is included in this publication. Willowbrook residents are encouraged to contact the Burr Ridge Park District to register for any of these programs or to have any questions regarding these services answered to your satisfaction. This agreement represents another component of the long tradition of cooperation between the Village of Willowbrook and the Burr Ridge Park District.

On behalf of the Village of Willowbrook’s Parks & Recreation Department. We would like to thank all our 2016 sponsors. Without your support our events would not be possible.

It is in Violation of Village Ordinance to:

Willfully mar or damage park property or litter in a park. The Village aggressively prosecutes vandals and requires reimbursement for any damages in addition to requiring community service hours.

Operate any motor vehicle in a park.

Perform auto maintenance in a park.

Carry, possess or drink an alcoholic beverage in a park.

Permit any animal into a park.

Feed wildlife in any park.

Be in a Village park between dusk and dawn except for those with official park permits.

Operate a watercraft in a park.

Residents who observe violations of any of these laws are asked to call the Willowbrook Police at 911. The cooperation of all will make our parks more enjoyable to everyone.

Park Permits

Park permits are available for you to reserve park shelters, ball fields and other areas for family outings, picnics and corporate events.

Park permits are required for any groups in excess of 25 individuals.

Call the Village Hall at 630-323-8215 to determine that the facilities and the date you desire are available.

Obtain a Park Permit Application and Fee Schedule in person from the Village Hall. You may also obtain an application online at www.willowbrookil.org. Just click on Parks and Recreation and go to the Park Permits link. There you will also see the permit fee schedule.

If your place and date are available, we can reserve it for you up to 7 days in order to give you time to submit the application and the entire permit fee. The Village Hall is open Monday thru Friday from 8:30 AM-4:30 PM. You may also fax the application to the Village at 630-323-0787 and then call to pay by credit card.

Help Us Help You

The Village of Willowbrook treats park vandalism very seriously and prosecutes offenders to the full extent of the law. Your cooperation and diligence will be a great assistance in our efforts to make our parks as safe and attractive as possible. If you witness anyone in a Willowbrook park during the time that the parks are closed (dusk to dawn) or you witness suspicious activity in a park at any time, please do not hesitate to call the Willowbrook Police Department at 911.
