Dear Willowbrook Neighbors,

As you may have heard, yesterday, DuPage County Judge Paul Fullerton did not approve the Consent Decree that would have lifted the seal order and provide Sterigenics a path to reopen. Instead, he gave Willowbrook and our surrounding neighbors of Burr Ridge, Darien and Hinsdale until September 6<sup>th</sup> to submit a joint brief on the legal reasons why we are against the Consent Decree. Sterigenics' attorneys then have seven days to respond.

As soon as we left the courthouse yesterday, we started working on this response. It is an incredibly important step in keeping ethylene oxide out of Willowbrook.

We will continue to update you as things develop. Please refer to the village website to review documents posted to date.

Thank you for your support. Let's keep fighting together to keep Willowbrook and surrounding communities free of EtO.

Sincerely,

Mayor Frank Trilla

Village of Willowbrook
