**What will be occurring on these days?**

Sterigenics will be dismantling racking equipment from their Quincy Street location and then transferring this equipment to the Midway Drive Sterigenics location for storage.

**What else will be included in the move?**

Both office equipment consisting of chairs, and cabinets and small plant equipment consisting of forklifts and miscellaneous tools.

**How will this be done?**

A semi-trailer and box truck will be handling the moves back and forth from each facility, so expect to see street traffic between both locations.
