MEDIA RELEASE

FOR IMMEDIATE RELEASE

The Village of Willowbrook Receives a DuPage County Water Quality Improvement Program Grant

The Village of Willowbrook is pleased to announce the Village has received a DuPage County Water Quality Improvement Program grant in the amount of \$99,000! This grant will help offset Village costs for stormwater improvements located at Borse Memorial Community Park.

In its 24th year, the DuPage County Water Quality Improvement Program award grants up to 25 percent of funding for projects exhibiting a regional water quality benefit. DuPage County received nine applications this year for projects totaling more than \$3.5 million. The DuPage County Stormwater Committee awarded more than \$364,000 to this year's recipients, including \$99,000 for the Village of Willowbrook!

Mayor Frank Trilla speaking on receiving the grant from DuPage County, "Our Village is honored to receive this grant. It demonstrates the Village's commitment to ensuring that all avenues of project funding are explored to ensure the most responsible management of taxpayer's funds. The Village's size and lack of a park district mean we must seek out different solutions to achieve these improvements. We could not have received this grant award without the hard work of our Board of Trustees and staff!"
