

LTC Patrick R. Seiber

Dear Village at Willowbrook-

Thank you for the wonderful treat boxes you sent me here in Afghanistan! What a generous treat - I have been sharing some of the goodies with the other servicemembers here with me - so it has blessed more than just me!

Again, thank you for your generous gift!

Sincerely -

THANK

you

I received a wonderful care package today through my boss LTC Patrick Seiber.

Thank you so much for thinking about us and for your support. It is greatly appreciated. Your package was the highlight of the day and I was sure to share, spreading happiness to many soldiers. The package was so thoughtful with a lot of yummy goodies and useful hygiene items. Thank you! Chris
