### TRAINING

Ongoing and continued specialized training is a priority with the police department. Officers received over 3,700 hours of in-service training which included Law Review, Range Training, Less Lethal Training, Hazardous and Bloodborne Pathogen Training and other various applicable specialties.

Some of the specialized training attended by officers included Midwest Forensic Training Conference, Staff and Command, Investigative Skills, Internal Affairs and Professional Standards, Financial Crime Investigation, Tactical Pistol Training, Crisis Intervention, Street Crimes Seminar, Firearms Training Course, Major Case Investigations Team Training, and numerous other law enforcement related fields.

In continuing professional career training and specialties, the department takes a proactive approach to training officers. In preparation for future retirements, the officers' training needs to be established and being strong proponents of training should accomplish this. Our compliment of trained, experienced officers will continue. This allows our newer officers to not only receive the required certification but also glean from the senior Officers experience to make a more well-rounded officer.

### LPR CAMERAS

The Willowbrook Police Department continued to expand its footprint of Flock Safety License Plate Reader (LPR) cameras throughout the town in 2022. We currently have 11 of these cameras providing a valuable resource tool for law enforcement efforts in our region. Flock Safety's license plate reading cameras provide 24/7 monitoring and assist law enforcement agencies locating stolen motor vehicles, protecting against property crime, and violent crime.

These cameras have proven to be a useful tool in solving and investigating numerous crimes across multiple jurisdictions. In 2023, the Willowbrook Police Department will continue to expand its LPR footprint and install additional cameras to help combat changing crime trends.

### **COMMUNITY ORIENTED POLICING (COPS) UNIT**

In 2022, the Willowbrook Police Department continued with its Community Oriented Police (COPS) unit. The purpose of this dedicated group of officers is to decrease crime by increasing awareness in our communities. The COPS unit attended various neighborhood functions including homeowner's association meetings to conduct presentations on crime trends and any other topics related to law enforcement. The goal of the unit is to foster positive interactions, work through problem solving, and establish partnerships within the Village of Willowbrook. In 2022, the unit was able to move a homeowner's association meeting to the new Community Resource Center which was well received and gave a good spotlight of this village resource. In 2022, the COPS unit expanded to include new officers for this cooperative engagement program.

The tracking of the above data and other programs assist the department in focusing its efforts, preparing staffing assignments, evaluating the effectiveness of its current programs and goal setting for future years.
