Program Assurance Policy

The Willowbrook Parks and Recreation Department offers its Program Assurance Policy for all the recreation activities we administer. Excluded are trips and adult sports leagues. If you are not satisfied, we will arrange for your choice of the following:

- You may repeat the activity at no charge.
- You may receive credit for another activity.
- You may receive a refund.

Please note that any request must be made within five days after the second class meeting. You may be asked to complete a form indicating your concerns so we can take the appropriate steps. Your comments and suggestions will enable us to serve everyone better.

Concerns about any cooperative activity in our Fun Guide that is administered by another agency should be first addressed with that agency. If you are not satisfied with the result, please do not hesitate to call our office.

Celebration/Memorial Program Help Make Our Parks More Beautiful

The Village of Willowbrook is very pleased to offer a Celebration/Memorial Program that allows you to make a contribution for a new or existing tree or bench in one of Willowbrook's parks in someone's name or, if you wish, simply contribute to make our parks more beautiful. All funds from this program are used to manage the program and to add more trees to Willowbrook's parks.

Tree and benches can be purchased as a gift to a friend, to celebrate the birth of a child, a marriage, or another momentous event in your family or to memorialize a loved one. This long-lasting give serves as a perpetual reminder of those people and events that make our lives special.

For more information, go on-line at www.willowbrookil.org, click on Parks & Recreation, and then Celebration/Memorial Program.

Willowbrook residents are afforded resident status from those agencies for cooperative activities that those agencies conduct and that also appear in our Fun Guide.

Gateway Special Recreation Association

The Village of Willowbrook Parks and Recreation is a member of the Gateway Special Recreation Association. Current members also include the Elmhurst Park District, Oak Brook Park District, Pleasant Dale Park District, Village of Hinsdale, Burr Ridge Park District, Westchester Park District and York Center Park District. These agencies have pooled resources to contract with Ray Graham Association for People with Disabilities to provide recreational services for individuals with disabilities.

The Gateway Board of Directors meets on the second Thursday of each month at the Oak Brook Family Recreation Center, 1450 Forest Gate Road, Oak Brook. Meeting times vary. Call 630-920-2251 for the correct meeting time.

We realize each participant has unique abilities and talents. Programs stress team work, positive social interactions and skill building. The Gateway motto is "Everyone is a Winner". Each person is provided the individual attention and support to succeed at his or her own pace. Sportsmanship, not competition, is stressed.

Gateway believes that persons should not be separated by their level of ability or particular disability condition. It is realized, however, that certain programs are designed to meet the individual's needs. Gateway S.R.A. and the Ray Graham Association promote and encourage positive interaction between persons with and without disabilities. "inclusive" activities provide benefits for all participants and their families. Inclusion can be achieved in two ways:

1. Persons with disabilities can participate in their local park programs with the needed support services.
2. Persons without disabilities can participate in certain Gateway programs.

Persons with disabilities are always served first in programs in which registration exceeds the maximum number of participants. We also encourage participants to explore other recreation opportunities within their local park agency. The Willowbrook Parks and Recreation Department invites any participant with a special need to contact our staff as soon as possible to enable us to make appropriate accommodations and a smooth transition for inclusion. For further information please contact Gateway S.R.A. at **630-325-3857, x110** or the Village of Willowbrook Parks and Recreation Department at **630-323-8215**.

However, Willowbrook residents can register at that agency's resident rate for all activities listed in this Fun Guide. If you ever encounter any difficulty, please call us at **630-323-8215**.
8. Photos and videos are occasionally taken of people participating in Parks and Recreation Department activities and in activities or using Village property thereby agree any photograph or videotape taken by the Village may be used for promotional purposes including its electronic media, brochures, flyers or other publications without prior notice or permission and without compensation to the participant.

The Village is unable to assume responsibility for injuries, accidents or loss of personal property at activities, parks and other facilities. The Village does not carry hospitalization insurance for participants. Such coverage would make program fees prohibitive. Your individual health insurance must cover all events, rather than the Village. Private entities contracted to deliver recreational services are not employees or agents of the Village. The Village of Willowbrook assumes no responsibility with respect to their actions or facilities. Each participant (or parent or guardian) is required to sign the waiver on the registration form as a condition to participate in an activity.

OUR REFUND POLICY

1. Refunds will be issued "with no questions asked" if the request is prior to the first class meeting. After the first class meeting, a refund will not be granted unless the Village receives a medical certificate from a physician stating that the participant is unable to participate.
2. No refunds for trips can be given for requests less than one week before the trip unless either the Parks and Recreation Department or the individual can find a replacement.
3. In all the above situations, a \$4.00 check processing charge will apply.
4. Refunds may be given under the Program Assurance Policy.
