Mayor's Message

Mayor Frank Trilla

It is hard to believe that the holidays are already behind us. I hope everyone had a safe and healthy holiday season. I would like to thank the community for joining us at our many events. The Light Up the Night event was a tremendous success thanks to your support. Santa visited some of our young community members during the Santa Sleigh Visits. There were so many great holiday events and we hope you enjoyed them as much as we enjoyed planning them for you.

As we start the new year, we are looking forward to what 2024 will bring. One big announcement is that the Village has become part of the SEASPAR community. Willowbrook residents will join twelve other communities in receiving top-quality recreational programs and services for individuals with disabilities. This is an exciting addition to our already robust programming offered through our Parks and Recreation Department to the community!

Permit Reminders

While thinking about your spring construction project this winter, ask yourself if a permit is required. Not sure? Call Community Development at 630-920-2240. We are always happy to help.

Why do I need a permit?

- Protect Property Value
- Safety
- Saves Money
- It's the law

To ensure the public health, safety, and welfare of the Village of Willowbrook, the staff is here to provide the community with building and property maintenance, code compliance, and building permit plan review. Inspections are performed on all permits to ensure the project was done right.
