Arbor Day Foundation Names Willowbrook, IL a Tree City USA

Willowbrook, IL – The Village of Willowbrook was named a 2024 Tree City USA member by the Arbor Day Foundation in honor of our commitment to effective urban forest management.

The Tree City USA program is sponsored by the Arbor Day Foundation in partnership with the U.S. Forest Service and the National Association of State Foresters.

The Village of Willowbrook achieved Tree City USA recognition by meeting the program's four requirements: a tree board or department, a tree-care ordinance, an annual community forestry budget of at least \$2 per capita and an Arbor Day observance and proclamation.

"Everyone benefits when elected officials, volunteers and committed citizens in communities like Willowbrook, IL make smart investments in urban forests," said Dan Lambe, chief executive of the Arbor Day Foundation. "Trees bring shade to our homes and beauty to our neighborhoods, along with numerous economic, social and environmental benefits."

Trees are assets to a community when properly planted and maintained. They help to improve the visual appeal of a neighborhood, increase property values, reduce home cooling costs, remove air pollutants, and provide wildlife habitat, among many other benefits.

"The Inaugural recognition as a Tree City USA community is an important designation for our Village, I thank our staff for their dedication to maintaining a healthy community forest," said Mayor Frank Trilla.

More information on the program is available at arborday.org/TreeCityUSA.

ABOUT THE ARBOR DAY FOUNDATION: The Arbor Day Foundation is a million-member nonprofit conservation and education organization with the mission to inspire people to plant, nurture, and celebrate trees. More information is available at arborday.org.
