Illinois Route 66 Scenic Byway

Dear Residents,

The Village of Willowbrook is excited to invite you to participate in the redevelopment of Creekside Park! Creekside Park is a beloved neighborhood park that will be redeveloped to better fit the wants and needs of the families in the area. The Village will be hosting an Open House meeting on **Thursday, October 12 from 5 pm to 7 pm** at the Community Resource Center at 825 Midway Drive. Village staff would like to hear suggestions and input from residents so that we can better plan and prepare for the project development. This will be the first of two Open House meetings to be held specifically for the Creekside Park project. Once staff receives information and feedback, we will begin to formalize a plan that will be presented at the later Open House in November/December. It is anticipated that Creekside Park will be renovated in the summer of 2024, with an anticipated start date of May 1, 2024.

On October 12<sup>th</sup>, Village staff will share six (6) different playground concepts that have been gathered and we'll be looking for feedback to select a favorite. In addition, different concepts and ideas for the park received from residents will be shared. The meeting and conversations for the evening will be conceptual and preliminary in nature. At the second Open House meeting, these concepts and ideas will be prioritized and vetted with a formal concept rendering presented by staff. At that time, we will continue to ask for your feedback and possibly a vote to move forward with the proposed concept.

If you have any questions or comments about the project please contact Dustin Kleefisch, Director of Parks and Recreation at [dkleefisch@willowbrook.il.us](mailto:dkleefisch@willowbrook.il.us) or 630-920-2429.

The Village looks forward to hosting our residents at the Capital Improvement Project Open House meeting on October 12<sup>th</sup> for this exciting and enriching project.

Sincerely,

Dustin Kleefisch

Director of Parks & Recreation
